Trustees' Annual Report for the Period

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The Foundation aims to promote and provide for the advancement of education; in particular to assist and support the education of students at Pensby High School. Funds to be released to the school will be used directly to increase the provision of teaching and learning for the students at Pensby High School. The Trust is responsible for the use of its assets to raise funds for Pensby High School itself.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Trust oversees the assets and value of the Pensby High School Trust site. The Trust income is currently devolved to the governors for use within the school because Wirral Borough Council has directed under its Scheme for Financing Schools (currently applicable from January 2025 but continuing previous instructions under its previous Schemes for Financing Schools) that schools pay self-generated income into the school bank account and that school governors (rather than charity trustees of the charitable trust) are responsible for the same. Because of this the charity's direct income for this period is zero.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are aware of the guidance and their duties and responsibilities. The School and Trust have been engaged with Wirral Local Authority since 2023 with regard to the Trust's position vis-a-vis the statutory guidance pertaining to maintained schools found within the Wirral Scheme for Financing Maintained Schools. Whilst the Trust and the Local Authority are in receipt of guidance from the Charity Commission, the Trust and associated school are still working with the Local Authority to ensure that the Local Authority's statutory guidance is in line with guidance issued by the Charity Commission.
