The role of the Trustee is oversight of the charity and that it abides by the rules and regulations of the Charity Commission.

There is an Operational Team composed of community volunteers who provide support and expertise in executing the managing of the ETIC's key deliverables.
This team provides trustees much needed Operational support in the day-to-day activities and developing new services.

Summary of the objects of the charity set out in its governing document

1 - To advance the Islamic faith in Enfield and surrounding areas for the benefit of the public in particular but not exclusively through the holding of prayer meetings, services of worship, religious instruction, lectures and public celebration of religious festivals in accordance with the tenets, philosophy, ideology and traditions of Islam.

2 - To further or benefit the residents of Enfield and surrounding areas, without distinction by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents. In furtherance of these objects but not otherwise, the trustees shall have power to establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objects.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

To hold weekly Friday Jummah prayers a hall was hired for limited time every week. Without a dedicated full-time facility, the community activities have been limited.

In a year of the pandemic much of the community services had been suspended to follow the government guidelines of indoor gathering. Weekly prayer services resumed upon lifting of the restrictions, and much effort was made by all volunteers to implement all social distancing measures.

The trustees have successfully completed the purchase a new property in 2019, and then engaged the local planning authority to obtain the planning change of use for the intended community services.

After fulfilling all the planning authority requirements, ETIC planning application was approved. This represented a milestone in the ongoing effort to continue to deliver the charity objects.

Trustees have begun the process of full renovation to ensure the property is reconfigured to provide a multipurpose community hub with prayer facilities, social activities, library and community engagement facility.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making.
- policy programme related investment.
- contribution made by volunteers.

Our Volunteers make a significant contribute to the Islamic community here in Enfield. Volunteering helps build a more cohesive, safer, stronger community, increase the social network between communities and the neighbourhood.

Our volunteers promote people to be more active in civic engagement and engagement in Enfield and surrounding areas.

Summary of the main achievements of the charity during the year

- 1 – Successful delivery of weekly Friday prayer services.
- 2 - Implementation of all social distancing measures during the community services provision.
- 3 – Approval of local authority planning application for the newly acquired property.
- 4 – Starting the process to carry out full renovation of the property to provide a multipurpose community hub with prayer facilities, social activities, library and community engagement facility.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trustees have adopted the policy to hold reserve funds to meet four months operating costs and to cover unforeseen emergencies. This will allow us to continue delivery our key community services without any disruption. The trustees have established through consultation that full renovation is needed to the newly acquired premises. Fundraising campaign will be undertaken to raise the necessary funds for the renovation.

In view of the future works and maintain charity operations, it is our aim to keep the reserve at £30K with view to increase it next year at a higher desired level.
