Points discussed:

1. SC stated that all documents were filed with the Charities commission but pleased now that we can now reconvene to get the Charity moving. There was discussion around the name of the Charity and whether we may be able to amend the name and change the Bank Account name – SC to enquire on this.
2. Money in the account, how this could be deployed to needed entities and the process around that. MP will be looking at structuring Terms of Reference (ToR) for someone or a group to apply for funding. It was agreed at this time that we would only cover area within the Wokingham Borough.  
Application forms will be created once we have agreed process on application for funding process has been reviewed and agreed by the Trustees. Within the scope of this, we will set out parameters for application.
3. It was proposed and agreed by the Trustees that we need to establish a web presence as well as a social media footprint. IJ will set up a Facebook page once we have a logo established and ToR has been established. AD to discuss logo design with one of his design contacts. The website will also be set up to allow for donations.
4. Once ToR established, we would look to run fund raising events, such as the pre loved football boots sale that we have every year at the fun day. MB will also investigate charitable donations from companies and entities as part of the website set up and direct donations from large corporates.

Action point summary:
