## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the year ended 31<sup>st</sup> Aug 2024, our major activities were to raise funds on behalf of and make grants to support the Greig City Academy (GCA) Sailing Programme. We also continued discussions with major sailing bodies about enhancing diversity in the sport.</p> <p><u>Fundraising</u></p> <p>We are extremely grateful to all the donors and volunteers who have supported our work. GCA's extraordinary sailing programme would not be possible without them. 2024 marked the 10 Year Anniversary of the Sailing Programme. A report entitled <a href="#"><u>Waves of Change</u></a> was published in July 2024, charting the 10 Year history of the sailing programme.</p> <p><u>Grants made:</u></p> <p>Grants totalling £212,000 were made to the GCA Sailing Programme during the year. Some additional funding was provided by other donors directly to GCA to contribute to the costs of the sailing programme.</p> <p>Together with this wider support, our grants, enabled the GCA Sailing Programme to continue to provide exceptional opportunities to state school students from inner city London to develop confidence and skills through sailing.</p> <p>The GCA Sailing Programme is the leading state school sailing programme in the UK. The comprehensive programme of activities and support offered to the students includes regular dinghy sessions, regular racing on school and privately owned boats as well as residential sail training voyages on ocean going yachts.</p> <p>No other school is entering multiple boats to compete and win prizes at Cowes Week including the Young Skipper Trophy and the Youth Trophy, while also entering students in elite sailing events such as the Etchells Nationals and the ILCA (Laser) Nationals and Cowes Classics Week. The Etchells crew won the prestigious Sir Kenneth Preston Cup.</p> <p>Students have also attended fully funded ILCA Skills Week at the Weymouth &amp; Portland National Sailing Academy.</p> <p>Scaramouche participated in the ASTO Guernsey to Poole Small Ships Race 2024, inspired by the RNLI's 200<sup>th</sup> Anniversary in</p>

		<p>August. GCA students also participated on board the Rona Sailing Project's vessel Donald Searle. All crew met the ASTO Patron HRH, The Duchess of Edinburgh.</p> <p>One student took up an elite and unique opportunity as an intern with Emirates GB Sail GP. He was offered this as his standout talent was recognised by key member of the team. The Greig City Academy also met Sir Ben Ainsley and Hannah Mills when the squad for the Youth and Puig Women's America's Cup was announced.</p> <p>Sailing is developing at pace at the GCA with students taking up further RYA training and work placements.</p> <p>We believe the GCA Sailing Programme is one of the leading initiatives in promoting diversity and accessibility for young people of colour in sailing. This is evidenced in the media attention that the programme gains and the interest in the programme from policy makers and other grassroots organizations.</p> <p>For more details of the activities we have supported during the year, please see the News page on our website:  <a href="https://scaramouchesailing.org.uk/news/">https://scaramouchesailing.org.uk/news/</a></p> <p><u>Other activities</u></p> <p>The Scaramouche Sailing Trust supported GCA's work to help other schools get more involved in sailing. We have also continued discussions with the RYA and other sailing bodies about how the lessons from GCA's experience can be applied more widely to enhance diversity in sailing. <a href="#">A Lessons Learned</a> document was published in conjunction with <i>Waves of Change</i>. It is a contribution to wider work to develop practical approaches to address structural inequalities in the sport.</p> <p>We look forward to continuing all our work in the year ahead.</p>

		<p>The major accrual was a final grant payment of £94,000 approved to pay to GCA Sailing Programme. A small number of donations to the charity for work within this year were received just after our year end.</p> <p>During the course of the year, an adjustment was made to the prior year's closing cash funds of £5,587, in order to account for accruals made in the prior year.</p>

Report to the trustees/ members of	The Scaramouche Sailing Trust		
On accounts for the year ended	31 <sup>st</sup> August, 2024	Charity no (if any)	1183400
Set out on pages	3-4		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2024.

**Responsibilities and basis of report** As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
