The TAR has been delayed severely, partly as a result of the Charity Commissions website problems, we could not file the financial figures until a software problem was resolved, which took some time. The rest was due to be completed by the Secretary who I have not been able to get hold of, hence completing the return myself as soon as I realised that it was not done. We do apologise.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Loneliness and social isolation have been successfully addressed in beneficiaries' lives. We have had testimony of suicide prevention, that persons have found hope. A derelict Fishermen's Rest (small chapel) has been restored and put back to its original use, one of community focus. This year we plan to install some catering equipment to be able to serve coffee and refreshments as well as redecorate. Youth and families of the fishing community have congregated and met in the building. Seniors, retired folk and even persons with dementia have found inspiration and respite in the project.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The main source of funds throughout the year has been gifts and donations and these have been sufficient to meet any outgoings the charity has had throughout the year. All the funds held currently are unrestricted. The charity is currently working with a fundraiser to seek funding that would enable us to expand activities as well as employing someone in the role of Operations manager to oversee these activities. As these activities grow, there will be a need for the charity to review its policy on holding reserves. However, with the continuation of the pandemic, all activities have been cut back and COVID guidance respected. We hope this will change shortly.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	No reserves are currently held.
Amount of reserves held	Para 1.22	0
Reasons for holding zero reserves	Para 1.22	The charity does not currently have any regular outgoings (rent, wages or asset maintenance, for example) so there is no requirement to hold a specific amount in reserve. The situation will be reviewed as soon as there is a requirement for regular outgoings.
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We do not currently have any concerns regarding the charities ability to continue as a going concern.
