NOTES TO THE FINANCIAL STATEMENTS 12-19

GATE Herts is a Charitable Incorporated Organisation (CIO) carrying out projects of a social nature within Hertfordshire and surrounding areas. The income of the Charity for 2021/22 is £275,370.

The Trustees' Annual Report

The Report follows the order set out in the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015). The Trustees are appointed at the Annual General Meeting.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our objectives and in our plans for future periods. In particular, the Trustees consider how planned activities contribute to the aims and objectives set.

The report refers to "a *risk management statement*" which identifies the major risks and the action taken to mitigate them. This is reviewed each year by the Board. The Charity's objects, aim, strategy and major activities undertaken are reviewed in the *objectives and activities* section.
The report concludes with a statement of the Trustees' responsibilities in relation to the financial statements.

The accounts

The Statement of Financial Activities (SOFA) reports the charitable activities as a single line with an expanded analysis in the notes on pages 10-19.

Report of the Trustees for the period from 01 April 2021 to 31 March 2022

The Trustees are pleased to present their report together with the financial statements of the Charity for the year ending 31 March 2022.

The Trustees' Report covers the impact of the services delivered to the communities and people we support.

Reference and administrative details

Charity number: **1183517**

Principal Office: Suite – G5, Cuffley Place, Cuffley. EN6 4SG

Directors and Trustees

The Directors of the Charity are its Trustees for the purpose of Charity Law and throughout this report are collectively referred to as the Trustees.

The Board during 2021/2022

- Appointed new Trustees
- Reviewed and approved its Vision, Mission, Values
- Reviewed, Developed and Approved Policies
- Set up a Risk Register and Fund-Raising Sub Committees
- Supported Fund raising activities
- Reviewed the Budgets and the Financial Position of GATE Herts

The Trustees serving during the year and since the year end were as follows:

Structure, Governance and Management

Governing Document
GATE Herts is a Charity registered with the Charity Commission (CIO).

Appointment of Trustees
Trustees are appointed in line with the Constitution. Two of the Trustees resigned in December 2020 and three new Trustees were recruited during the year.

Trustee induction and training
New Trustees undergo an orientation to brief them on their legal obligations under Charity Law, the content of the constitution, the committee and decision-making processes, the Strategy Plan and recent financial performance of the Charity. During the induction they meet key employees and other Trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Organisation
The Board of Trustees administers the Charity. The Board meets bi-monthly. The Chief Executive Officer is appointed by the Trustees to manage the day-to-day operations of the Charity. To facilitate effective operations, the Chief Executive Officer has delegated authority, within terms of the delegation approved by the Trustees, for operational matters including finance and employment.

Risk management
The Trustees have a risk management strategy which comprises.

- A quarterly review of the risks the Charity may face.
- The establishment of systems and procedures designed to mitigate those risks identified in the plan and the implementation of procedures designed to minimise any potential impact on the Charity should those risks materialise a key element in the management of financial risk is the setting of a reserves policy and its regular review by Trustees.

Vision
The vision of GATE Herts is to seek to resolve issues that confront GRT communities so that they develop pride and confidence to become more included and valued at all levels of society.

Mission
The mission is to build a sustainable organisation that provides leadership both locally and nationally in addressing the disadvantage and discrimination that GRT communities experience. GATE Herts will support and empower GRT communities to bring about this change.

We seek to end racism and discrimination against Gypsies, Roma and Travellers, whatever their circumstances, whether settled or mobile, and to protect the right to pursue a nomadic way of life.

Objectives and activities

The objectives of the Charity as set out in the Constitution are:
The objects of the group are for the benefit of Gypsy, Roma and Traveller (GRT) individuals and communities in Hertfordshire, (the area of benefit), in particular but not limited to the foregoing:

1. Advice, information, and advocacy service both for and provided by GRT individuals.

2. Advancing the education and training of GRT individuals to advance them in life.

3. Advancing the education of the public in general about the issues relating to GRT communities.

4. Developing the capacity and skills of GRT individuals and communities in such a way that they are better able to identify and help meet their needs and to participate more fully in society.

5. Providing facilities for recreation or other leisure time occupation with the object of improving the conditions of life for those persons who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship, social or economic circumstances.

6. Promoting knowledge and mutual understanding between different racial groups.

7. Raising awareness about different GRT groups to promote good relations between persons of different racial groups.

8. Working towards the elimination of discrimination on the grounds of race.

9. Advancing education and raising awareness in equality and diversity.

10. Promoting activities to foster understanding between people from diverse backgrounds.

11. Conducting or commissioning research on equality and diversity issues and publishing the results to the public.

Strategy

We are happy to report and share on a wide range of successes and opportunities achieved during the past twelve months using a combination of policy, research, law and human rights-based approach underpinned by a community advocacy strategy.

This is delivered through the theory of change model which includes:

- Submissions to key consultations, policy briefings and active research
- Public affairs and influencing
- Advocacy and campaigning
- Training
- Direct casework, victim support and outreach service
- Yearly policy seminars and roundtable events
- Celebration of Gypsy Roma Traveller History Month.

A five-year business plan, has been developed after extensive consultation with stakeholders, presents the strategy and operational plan that GATE Herts (Gypsy and Traveller Empowerment Hertfordshire), will implement to achieve its aims and objectives.

The organisation is led by Gypsies and Travellers and works in collaboration with members to support social justice and participation, and uphold all the principles of equality, diversity, and human rights. It confronts discrimination and works with other organisations to actively campaign for racial justice.

Over the year, GATE Herts has provided free, independent, and confidential advice and information to GRT communities locally undertaking casework and advocacy support to users whilst developing a model of good service that encourages participation by GRT users. We have worked in education and health across clinical commissioning and NHS hospital trusts. GATE Herts has used ICT to raise awareness amongst users and worked effectively with Local Authorities.

This work has been recognised by a range of funders including the Ministry of Housing, Communities and Local Government (formerly the Department for Communities and Local Government), The People's Health Trust, the Community Lottery Fund, and the Esmée Fairbairn. We intend to consolidate and expand our operations, link with other operators, seek extra resources to enable us carry on our work, always ensuring that our users are fully involved in the development of projects and programmes that benefit them.

National Lottery Covid-19 Crisis Fund
The funding delivers activities specifically aimed to support communities through the COVID-19 crisis and recovery and has helped sustain the organisation throughout the COVID-19 crisis.

Engagement Work
Funding from Hertfordshire County Council

GATE received funding from Hertfordshire County council to work on to keep GRT Communities across Hertfordshire informed and updated on COVID-19. Information and good practice are being shared between organisations and specifically with HCC's Gypsy and Traveller section. GATE supported local district and borough partners in their local response to COVID-19 in relation to Gypsy/Travellers.
We have been encouraging Gypsy/Traveller communities to continue playing their part, staying at home where possible, keeping up social distancing, hand hygiene and getting tested, vaccinated and self-isolating if required.

Domestic Abuse

Women and children experiencing domestic abuse are supported with their practical need and signposted to local services. We make referrals to HCC's safeguarding team when needed.

Shaftsbury Young People
Arts and crafts. In Our Voice Project Toolkit

This toolkit is an educational resource created in collaboration with Gypsy, Roma and Traveller young people who were part of the Our Voice project led by GATE Herts, in partnership with Goldsmiths University of London and Southwark Traveller Action Group (STAG).

This toolkit covers topics and issues of concern brought forward by Gypsy, Roma and Traveller youth that affect them and which often go unrecognised and unaddressed. It shares learnings from storytelling-based sessions conducted with young people and presents artwork they created around identity, culture, and experience.

The topics include:

- Discrimination and Prejudice
- Social Media and Mental Health
- Family, Community, and Identity

Moving for Change

Moving for Change is a project to improve quality of life for nomadic Gypsies and Travellers and the communities in which they reside across the UK.
Moving for Change "will use a five-year grant from the Big lottery to deliver a UK-wide project called Roadside Futures aimed at improving the quality of life for people living traditional nomadic lives, either permanently or temporarily" – and Gypsies and Travellers living on Traveller sites.
Moving for Change is a partnership of activists, academics and voluntary sector organisations including Leeds Gypsy and Traveller Exchange, Friends Families and Travellers, London Gypsies and Travellers, GATE Herts, York Travellers Trust, Irish Community Care, the Federation of Gypsy Liaison Groups and Derbyshire Gypsy Liaison Group. Gate Herts are the training spoke for Moving for change.

National Lottery Community Fund:
Families and Communities/ Health and Wellbeing.

As one of the only local organisations that works on behalf of all Gypsies, Roma and Travellers, GATE is particularly well positioned and qualified to tackle the exclusion, discrimination and racism experienced by GRT communities. With leadership from both the Irish Traveller and Romany communities, we have worked with the Travelling communities for ten years in a way that is impossible for mainstream service providers.

As a community-led and user-focussed organisation, GATE Herts' projects and programmes respond directly to the needs of the communities. We have developed services where the needs are greatest or most pressing. These needs and solutions are based on real casework and the ongoing interaction with members of the communities at different levels.

It is this first-hand knowledge of the issues and through consultation with the communities that has resulted in our identifying the priority needs as:

- low educational attainment and attendance
- health outcomes much poorer than the general population
- critically high levels of homelessness and overcrowding
- employment disadvantage
- marginalisation and experiences of hostility and discrimination

GATE Herts has three GRT volunteers, supporting the work of the organisation, we held a series of online meetings and webinars throughout 2021 to equip them in their work.

Through the Covid19 pandemic we have provided up to date information and guidance to people about the developing crisis.
Through social media and video conferencing we have developed and continue to look at new ways of working under lockdown to empower Gypsies Roma and Travellers. This is particularly important for young Traveller people. Work we are already involved in, including in regard to racial hatred, mental health and addressing domestic violence, means we are in a strong position to monitor and provide evidence of the longer-term consequences of Covid-19 for GRT.

We have campaigned to raise the issue of the multiple barriers and the discrimination that can impact on the lives of Gypsies and Travellers, for example: the access difficulties for a Gypsy with physical disabilities living on Council Sites. GATE has not only raised awareness about GRT issues but has also been working in a hands-on manner in collaboration with similar and facilitating organisations to build collaborative partnerships.

Our work has had a significant impact, empowering, and strengthening the voice of community activists and campaigners, challenging, and changing policies and practice of statutory bodies and policy makers and promoting wider public awareness and empathy.
By working collaboratively, we have empowered and strengthened the voice of the Traveller communities and sector both locally and nationally with the objective to help reduce isolation, loneliness and the recognised links with mental health and poor health & wellbeing.

All this work would not have been possible without the dedication and support received from the GRT communities who are at the forefront of all our activities and projects.

Our partnerships in Hertfordshire continue to increase and work well. We are available to carry out work throughout Hertfordshire and we continue to act as advocates for Gypsies Roma and Travellers wherever it is needed. We are also incredibly pleased to have a thriving partnership with Hertfordshire County council (HCC), who are a keen supporter of the Network and recently have award funding for the continuation of our work across Hertfordshire.

We are grateful to all our funders, supporters, Trustees, staff and volunteers whose tireless commitment to achieve the very best delivery that we can for the GRT people.

Reserves policy

The Trustees have considered the reserves (that is those funds that are freely available) that the Charity ought to hold. Reserves are needed to bridge the funding gaps between spending and receiving resources from grant and other incomes. Reserves should also cover the extent of GATE Herts' financial liabilities.
The actual reserves at 31 March 2022 were £43,645 (excluding designated reserves of £4,568).
In calculating reserves, the Trustees have excluded, from the total funds, the Restricted funds.

Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).
Charity Law requires the Trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the end of the financial year and of its surplus or deficit for the financial year. In doing so the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP 2015 (FRS 102);
- Make sound judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business

The Trustees are responsible for maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Charity and enables them to ensure that the financial statements comply with The Charity Act 2016. The Trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- There is no relevant audit information of which the charitable company's independent examiner is unaware; and
- The Trustees have taken all steps that they ought to have taken to make them aware of any relevant audit information and to establish that the independent examiner is aware of that information.

Date: 15th July 2022

Chair: Board of Trustees

INDEPENDENT EXAMINER'S REPORT

Independent examiner's report to the trustees of GATE Herts (Gypsy and Traveller Empowerment) Herefordshire Charity No 1183517.
I report on the financial statements of the charity for the year ended 31 March 2022, which comprise the statement of Financial Activities, the Balance Sheet and the related notes 1-17.

Respective responsibilities of Trustees and examiner
The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ('the Act'). The Charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed. Where the charity's gross income exceeded £250,000 I am qualified to undertake the examination by being a qualified Fellow of the Chartered Association of Certified Accountants.

It is my responsibility to examine the accounts under section 145 of the Charities Act, follow the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and state whether particular matters have come to my attention.

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement
(1) In connection with my examination, no material matters have come to my attention which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Report) Regulation 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of independent examination.

(2) I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2022

1 Accounting Policies

General information

Gypsy & Traveller Empowerment Hertfordshire is a charitable Incorporated Organisation in Hertfordhsire. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is **Suite G5 - Cuffley Place, Sopers Road, Cuffley, EN6 4SG**. The nature of the charity's operations and principal activities are to be an advocate for communities in Hertfordshire.

Basis of Accounts

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below.

Incoming resources

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income, the amount can be measured reliably and it is probable that the income will be received.

Sundry receipts, including donations, are recorded on a receivable basis. Grant income is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Tax

The CIO is a registered Charity, registration number 1183517 and in consequence it is exempt from taxation on income arising from and expended on its charitable activities.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Grants and donations are charged to the Statement of Financial Activities once they are approved for payment by the Directors.

Costs that are directly attributable are allocated on a charitable activity basis and support costs then added. Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity. Where central administration and office support costs cannot be directly attributed to particular headings, they are apportioned to the charitable activities on a reasonable and consistent basis.

Fixed Assets and Depreciation

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is calculated to write off the cost, less estimated residual values, of equipment, fixtures and fittings, over their estimated useful lives at 20% per annum on a straight line basis.

Debtors receivable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Fund Accounting (cont.)

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements. The charity has decided to allocate some of the unrestricted funds as designated for the purpose of covering potential future redundancy costs.

Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Judgements and key sources of estimation uncertainty

Due to the simple operations of the entity, the trustees do not consider there to be any key accounting judgements or estimates that have a material impact on the financial statements.

Financial Instruments

The Charity only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Charity and their measurement as follows.

Financial Assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value

Financial Liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost.
