Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides holiday accommodation to families who are suffering from bereavement. The charity raises funds through hosting events in the community to raise awareness of the charity and our aims.

To Promote the preservation and protection of health by providing a respite holiday in a caravan(s) for families who have suffered from the loss of a child.

Working within the guidance provided by the Charity Commission on Public Benefit the charity has worked to obtain support and donations to build towards our charitable aims.

Due to the restriction on holidays as a result of the Covid 19 pandemic we have been unable to provide any respite holidays during this period.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Unfortunately, due to the Covid 19 pandemic we suffered significant setbacks to building up the new charity during the financial year. Several planned charity events were postponed due to the lockdown restrictions and ultimately cancelled altogether.

The charity has been able to create a website during the financial year, allowing us to provide greater exposure for the charity and the activities undertaken.

The website has also enabled us to reach out to possible sponsors to boost income for the charity.

Work has also been undertaken in planning for future charity fundraising events to be held in 2021.

The goal of the charity during this period has been to maintain public awareness of the charity and our goals with a view to offering a greater public benefit in the coming years.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity's policy is to build up reserves to enable the purchase of a holiday home to enable us to offer year-round breaks for bereaved families.
Following recent challenges as a result of the Covid 19 pandemic we are currently reviewing the policy to enable us to provide greater short term public benefit whilst also working towards the long term aims of the charity.

Details of any funds materially in deficit
