## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society.	Para 1.20	<ul style="list-style-type: none"> <li>We developed a theory of change, a mission and vision for our organisation to give us clear direction and aims.</li> <li>We developed and launched our first strategy, setting out a clear direction and priorities for the future.</li> <li>We applied for grant funding to cover the cost of delivering the first phase of our strategy.</li> <li>We changed our name and rolled out new branding to increase our recognition and visibility and as part of our strategy.</li> </ul> <p>This work mean that more patients will be able to find us and seek our support. More patients will be able to find our website and get the information they need. As the only Amyloidosis specific charity in the UK, we aim to create a supportive community, increasing our visibility in the community is vital to us delivering on this aim.</p> <p>We, also:</p> <ul style="list-style-type: none"> <li>Represented the patient voice as two new medications passed through the NICE and SMC approval processes. Both medications were approved for use in Scotland and England. For some groups of patients, this means they have access to disease altering treatments for the first time ever.</li> <li>Attended several professional conferences and events to promote our work and increase awareness of the disease.</li> </ul>

		This benefits patients by increasing awareness among health care professionals.
