## OBJECTIVES AND ACTIVITIES

The relief of sickness and without prejudice to the generality of the foregoing particularly those young persons resident within the Greater Merseyside area and beyond who are treated on the Oncology Ward at Liverpool Alder Hey Childrens Hospital and diagnosed with any form of cancer, leukaemia, and associated diseases or conditions, and to support the parents and families of such young people as affected by such conditions.

The charitable incorporated organisation provides practical, emotional and social support to the children and their families who sign up as members of the charity.

All Liverpool CHICS trustees have considered and had regard to the guidance issued by the Charity Commission on public benefit.

Everyone involved with the running of Liverpool CHICS has had a child who has had cancer, and we feel this is an important USP for our charity.

## ACHIEVEMENTS AND PERFORMANCE

Liverpool CHICS has continued to support children and their families in various ways during the year, fulfilling its aims and objectives. It has been an incredibly busy year with a variety of events but also a greater focus on fundraising.

Our support worker, Andre Cheminais, (known as Chem), bases himself on the Oncology Ward at Liverpool Alder Hey Children's Hospital, and, throughout this year, he signed up 58 new families across the whole of the Northwest, Wirral, North Wales and the Isle of Man areas. He offers support to all families and signposts to other charities and services that may be helpful to individual families. Chem also works very closely with the other charities on the ward, (Young Lives V's Cancer and Teenage Cancer Trust), to ensure families benefit from all resources that are available to them. This close partnership with the other charities has greatly benefitted our families and means families receive a more personalised service from Liverpool CHICS.

During the year we have held group-wide events at least once every month, ensuring that our families were able to get together regularly; in doing so the families have also been able to offer additional support to each other.

The social events throughout the year have included:

- Easter Party with great support from Bootle FC who supply the venue.
- Exclusive Odeon events for our families.
- Awesome Walls indoor climbing events.
- Christmas Party at Bootle FC.
- Family day at The Beatles Story at the Albert Dock.
- Pantomimes at Liverpool's Everyman Theatre.

## FINANCIAL REVIEW

At the start of the period the charity held bank and cash balances of £157,221. By the end of the period £127,382 was held. Total funds of £130,985 comprised designated funds of £3,902 and general funds of £127,083.

Reserves are held of £60k as the charity remains cognisant of its ongoing commitment to future expenditure in funding the salary of its Family Support Co-ordinator, future accommodation expenditure and the future expenditure to maintain the charity's caravan.

The principal sources of funding are ongoing donations and fundraising activities.

The trustees have a risk management strategy which comprises an annual review of the principal risk and uncertainties that the charity faces; the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the main financial risk for the charity. A key element in the management of financial risk is a regular review of the available liquid funds to settle debts as they fall due, regular liaison with the bank and the active management of trade debtors and creditors balances to ensure sufficient working capital by the charity.

Attention has also been focused on non-financial risks such as fire, health and safety of clients, and food hygiene. These risks are managed by ensuring that accreditation is up to date, having robust policies and procedures in place, and regular awareness training for staff working in these operational areas.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

Liverpool CHICS is a charitable incorporated organisation (CIO) governed by its constitution dated 29th May 2019. It is registered with the Charity Commission. Anyone over the age of 18 can become a member of the CIO and there are currently 4 members.

As set out in the Articles of Association the trustees are elected by members of the charitable company attending the Annual General Meeting. The longest serving one third of trustees retires each year and is able to offer themselves for re-election.

New trustees undergo an orientation day to brief them on: their legal obligations under charity and company law, the Charity Commission guidance on public benefit, and inform them of the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction process they meet key employees and other trustees. Trustees are encouraged to attend external training events where these will facilitate the undertaking of their role.

The board of trustees, which must have at least three members and has no maximum number of members, administers the charity.

One of our trustees is paid for administrative work carried out for the charity. None of the other trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager of the charity and any client or supplier is disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

The trustees consider that the board of trustees comprise the key management personnel of the charity in charge of directing and controlling, running and operating the charity on a day to day basis. All trustees give of their time freely and no director received remuneration in the year for their work as a trustee. Details of trustees' expenses and related party transactions are disclosed in note 16 to the accounts.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The pay of the senior staff is reviewed annually and normally increased in accordance with at least inflation. In view of the nature of the charity, the trustees benchmark against pay levels in other organisations of a similar size run on a voluntary basis. The remuneration benchmark is the mid point of the range paid for similar roles adjusted for a weighting of up to 30% for other responsibilities.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

26 March 2026

I report to the charity trustees on my examination of the financial statements of Liverpool CHICS for the year ended 31 May 2025 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

#### Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
