DRAFT

FRIENDS OF CONQUEST HOSPITAL CIO

REPORT OF THE TRUSTEES

For The Year Ended 30 June 2022

The Trustees present their report, together with the financial statements, for the year ended 30th June 2022.

The Charity, known as Friends of Conquest Hospital CIO was registered with the Charity Commission on the 30th May 2019 replacing the entity known as The League of Friends of the Conquest Hospital which was previously registered with the Charity Commission on 13th September 1990. It is governed by its Object and Rules which were adopted on the 23rd January 2019. Under these Rules, the Management Committee may co-opt members of the Friends to the Committee to fill vacancies as the need arises. Currently there are 16 committee members, 8 of these being trustees. Trustees are normally elected at the Annual General Meeting and are given an induction to assist them in undertaking their role, due to a number of trustee resignations, appointments to become a trustee have had to be made during online meetings.

Object of the Friends

The object of the Friends is twofold;

- to offer relief to patients, visitors, staff and former patients of the Hospital and other invalids in the community who are sick, convalescent, disabled, handicapped, infirm or in need of assistance,
- to generally support the charitable work of the Conquest Hospital for the benefit of the community.

Activities of the Friends and public benefit

The main activities of the Friends are to raise funds in order to fulfil its object as stated above, and to raise awareness of the Friends' work by the following;

- to invite supporters to become Members of the Friends of the Conquest Hospital,
- to run two shops in the hospital,
- to organise fundraising events,
- to invite donations and legacies,
- to purchase hospital equipment in collaboration with the medical and management staff,
- to support initiatives making the Conquest Hospital a place of best practice for patient care and welcoming to the general public.

Members of the public can become Friends of the Conquest by paying at least £15 for a year (£12 a year if paying by DD), fundraising at least £15 or volunteering with the friends. The Friends currently have approximately 100 active members.

The Friends provide a number of services through two shops in the hospital. The main shop (confectionery, newspapers, magazines, stationery, cards, soft toys, drinks, sweets, ice cream and National Lottery tickets) and the flower shop (fresh cut flowers, gifts, baby clothes, balloons and mugs) are manned by one fulltime and one part time employees plus some 50 unpaid volunteers who undertake a number of roles. A newspaper round is maintained on a daily basis and the Friends also run a trolley service to the wards to meet the needs of patients. Both shops accept card payments through Worldpay.

During the past year we have been able to have volunteers back in the shops which wasn't allowed through the pandemic. A few volunteers chose not to return but the vast majority have which is a brilliant testament

The principal fundraising events are usually the annual fete held in June and annual dinner held in November each year. This year we were not able to hold any events but plans have been made to hold the Garden Fete at Fairlight Hall in August for the Courtyard Garden restorations (C21). We concluded the CT Scanner fund and were able to purchase it for £391,943. We also received donations to support staff during the pandemic, these donations are held in a wellbeing fund.

Donations and legacies have always been welcomed by the Friends, and we continue to receive donations from grateful patients and former patients and their relatives. Although the Friends prefer that donations received should be on an unrestricted basis, we do accept donations intended for the benefit of particular wards. These are the Restricted Funds shown in note 14.

Most of the ordinary funds that are raised by the Friends are used for the purchase of hospital equipment and providing support for the staff, patients, and visitors to the Conquest Hospital. Since the year 2000, the Friends have assisted the Conquest Hospital with the purchase of equipment and provided services to the value of over £3.8 million. This year we purchased equipment and provided services costing £429,386 and the details are in note 21.

As well as supporting the medical staff in the hospital, the Friends have contributed to the enjoyment of patients and visitors to the hospital by continuing to fund a wide range of live music performed on the balcony in the main reception area. These short performances of approximately 45 minutes are given by professional musicians, accomplished amateurs, and young people from local schools and colleges. A "Musician in Residence" scheme has been established in which a young musician, embarking on a professional career in music, is appointed for one year, during which they give performances at the hospital and are awarded a certificate to add to their CV. This programme is run in conjunction with Arts in Healthcare which works with artists to provide performing and visual arts in East Sussex NHS Trust buildings, and the Friends are pleased to support this initiative by contributing to the costs of the performers. Unfortunately all performances ceased from 23rd March 2019 due to the COVID-19 pandemic, we were not able to restart this programme this financial year but will restart once it is considered safe to do so.

Financial Review

Total incoming resources for the year were £314,223 (2021 £210,765) and total resources expended were £705,660 (2021 £221,164). These figures include all the shop trading and unrealised gains.

During the year, the trustees of the Friends expended £429,386 (2021 £39,919) on services for the benefit of patients, relatives and visitors to the hospital, together with the purchase of equipment for use in many different areas of the hospital and associated activities (see page 22).

Donated goods, facilities and services, including volunteers

The trustees are aware of some new reporting requirements for charity accounts and are including the following information as relevant to the new requirements:

- a) donated books were unable to be sold due to the pandemic (2021 £nil) but would normally be received by the charity for general fundraising and usually sold throughout the year and at the summer garden party. Hopefully this will resume once the pandemic has eased.
- b) donated facilities to the value of approximately £6,000 were received by the charity from the East Sussex Healthcare NHS Trust in the form of a "peppercorn rent" for the space occupied by the shops in the Conquest Hospital run by the Friends.
- c) the services of the 50 volunteers who work in the shops are not valued in financial terms in these accounts, but their contributions are recognised with gratitude by the trustees. The volunteers for the Friends are given preliminary guidance by the East Sussex Healthcare NHS Trust Voluntary Services manager and invited to "taster" sessions before committing to work in the shops. If they are suitable for this type of work, they attend a formal presentation and are interviewed before being appointed. Further training is given on policies and procedures to be followed by volunteers within the Trust. The shop managers are responsible for supporting the volunteers who have a variety of duties such as serving customers, stocking shelves, taking a newspaper trolley around the wards each morning and taking a trolley of general items around the wards later in the day. Volunteers are reimbursed for travel expenses. The amount of volunteers and what they have been able to do has been affected by the pandemic but will hopefully get back to the above way of working when things ease.

Reserves Policy

Some reserves are required to maintain the effective running of the shops and to make improvements for the future, but the bulk of the reserves are required to make large payments for the purchase of hospital equipment, so any investments need to be easy access and are chosen accordingly. It is the trustees' intention not to maintain high levels of reserves, but to match the level of purchases of hospital equipment to the income received from donations and legacies, and the profits from the shops. On 30 June 2022, the level of unrestricted funds was £229,224 (2021 £219,377) and there was £81,536 (2021 £482,820) held as restricted funds that were not available to use as free reserves.

Risk Management

The Friends' investments are reviewed from time to time and are considered to be in a low risk category. Other risks, including the management of stock for the shops are considered satisfactory. The majority of shop purchases are covered by direct debit agreements and other suppliers are paid immediately on receipt of invoices.

Trustees' Meetings

The Trustees have tried to meet regularly during the year with the management committee, normally every month, there were no meetings held in August and December and all other meetings were held virtually. The last annual general meeting was held on 14th May 2022. At these meetings they have considered a growing number of "bids" or requests for equipment that are submitted to the charity.

Statement of Trustees' Responsibilities

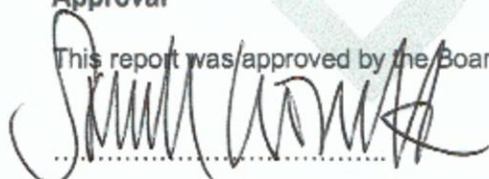

The Trustees are required, under the constitution of the Charity, to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of its results for that period. In preparing those financial statements the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the Board of Trustees on 21st April 2023 and was signed on its behalf by:

S. Kowitz
Chair

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF

FRIENDS OF CONQUEST HOSPITAL CIO

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 June 2022.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the institution of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

FRIENDS OF CONQUEST HOSPITAL CIO

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 30 June 2022

1. Accounting policies

a) Accounting basis

The financial statements have been prepared under the historical cost convention and are in accordance with the Charities SORP (FRS102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

b) Incoming resources

i) Donations and legacies

Donations and legacies are recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably, and it is probable that the income will be received. In the event of donations pledged but not received, the amount is accrued for where the receipt is considered probable.

ii) Bank interest and dividends

Bank interest and dividends are included in the income and expenditure account on receipt, or when notification has been received of the amount due.

iii) Other income

Sales of services are included in the income and expenditure account in the period to which they relate. Other income is included as it is received.

iv) Gifts and Intangible Income

In addition to the above, the charity also receives help and support in the form of voluntary assistance in staffing the shops in the hospital.

The financial value of services provided by volunteers has not been included in these accounts; however, the management team of The Friends of the Conquest Hospital acknowledges and greatly appreciates the high contribution which volunteers make to the charity with their enthusiasm and dedication. There were 50 volunteers active during the year.

v) Deferred income

If grants were to be received in advance of the period in which the funder required the expenditure to be applied, they would be shown as deferred income within the balance sheet.

FRIENDS OF CONQUEST HOSPITAL CIO

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 30 June 2022

1. Accounting policies (continued)

c) Resources expended

All expenditure is accounted for on an accruals basis. All expenditure directly related to the provision of equipment for the hospital is included within charitable expenditure. Other costs incurred have been allocated between fundraising and publicity and management and administration as appropriate. Where such costs relate to more than one functional cost category they have been split on an estimate of time or floor space basis, as appropriate.

d) Fixed assets and depreciation

Fixed assets are included at cost. Items are capitalised if their value is over £500. Depreciation is charged on a straight line basis on the costs of the assets over their estimated useful lives as follows:

Fixtures, fittings and equipment	-	3 years
Computers	-	3 years

e) Restricted funds

Income received for the restricted purposes is included in a separate restricted fund against which appropriate expenditure is allocated.

f) Designated funds

Designated funds are allocated out of unrestricted funds by the trustees for specific purposes. The use of such funds is at the trustees' discretion.

g) Pension

The charity operates a defined contribution group personal pension plan for its employees. Payments are charged to the income and expenditure account in the period in which they are incurred.

h) Leases

Rental costs under operating leases are charged to the statement of financial activities in equal amounts over the period of the leases.

i) VAT

The charity is registered for VAT and is able to recover VAT.

No employee received remuneration of more than £30,000.

No Trustee was remunerated for any services, or accrued any benefits under pension schemes.

Travel costs amounting to £nil (2021 £nil) were reimbursed to members of the Trustee Board.

The charity paid £1075 in the year ended 30 June 2022 for various insurance services, including professional indemnity cover.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

For The Year Ended 30 June 2022

15. Purposes of restricted funds

If donors ask for a particular ward to benefit from their donation, then the donation is treated as a restricted fund and only used for that purpose (see note 14 for a full list of restricted funds).

16. Designated fund

At the year end there were no designated funds.

17. Financial commitments

Capital Commitments

At the balance sheet date, no capital commitment existed.

18. Related party transactions

There have been no related party transactions in the reporting period that require disclosure.

19. Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

20. Pension costs

A pension scheme for employees is operated on a defined contributions basis. The scheme is open to all employees at any time. The charity contributes 2% of pensionable earnings to match employees' contributions. The assets of the scheme are held separately from those of the company in an independently administered fund. The fund administrators are NEST.

The pension cost shown in the accounts for the year represents contributions payable by the charity and amounted to £1,645 (2021 £1,806). There were no contributions payable or outstanding at the year end.
