**Independent Examiner's report to the members of the MATLOCK DERWENT VALLEY LIONS CLUB
CHARITABLE INCORPORATED ORGANISATION – Charity Number: 1183660**

I report on the accounts of the Matlock Derwent Valley Lions Club Charitable Incorporated
Organisation for the year ended 30 June 2023

Respective responsibilities of the Charity trustees and the Independent examiner

The trustees are responsible for the preparation of the accounts and consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 245 of the 2011 Act
- follow procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Trustees and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's report

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The aim of the Charity is the same as Lions international and that is:-

“To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.”

This year has been one of rebuilding our presence in the community and trying to find new ways of raising funds to help those in need. Due to falling numbers this restricted the number of Santa's Grottos we were able to put on this year and so income was considerably lower than previously.

Our Peace Garden project has been slow to progress although we now have the funding from generous donations by the public. It is hoped this will be completed in late 2023 or early 2024.

We have been able to support a number of worthy causes during the year and hope to be able to continue this good work to a greater degree next year.

“To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.”

Following the covid pandemic when all our activities were curtailed due to isolation and lockdowns, this has been a year when we have tried to start recovering our position and restart our regular fundraising activities. We were able to put on our Santa's Grottos using masks and hand gel to keep everybody safe but it was difficult to get anything else moving. However we have a project to make a Peace Garden in Matlock as a thank you to all those essential workers who kept the area going during covid and also to remember those who lost their lives. A fundraising campaign has started to gather the necessary funding.

We have been able to support a number of worthy causes during the year and look forward to this improving in the future.

The aim of the Charity is the same as Lions international and that is:-

“To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.”

We try and raise money in a variety of different ways in order that we have funds to use to meet the requirements of different groups in the community by way of grants or by helping with the supply of manpower for specific events. Help is mostly given locally but we do support national and international good causes.

However, this financial year covered the period when Covid was rife in the area and we were unable to hold any face to face meetings and none of our usual fundraising activities were possible. With no income therefore, we were unable to help people as we normally do and so donations for the year were very limited.

We have started on a project to produce a Peace Garden as a thank you to all those who kept working during the pandemic and as a tribute to those who lost their lives. A donation towards this from a local councillor is reflected in the accounts.
