Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The financial position at the end of the year was again only a little different from that at the end of the previous year. Small expenses were related to maintenance of the bank account. The two projects on which we collaborated did not involve any outlay by the charity other than time donated by trustees and the (unpdai) sArtistic Director. Donations were received from the Chair in order to maintain the bank account and he also paid for website maintenance expenses. We also received one additional donation of £95.85 net during the year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	A small cash reserve is held over in the bank account to cover website maintenance and minor expenses. The charity has no other assets at present
Amount of reserves held	Para 1.22	£371.80
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We have made tentative steps towards re-engaging in activities during the year through association with the two projects mentioned, though this has not involved raising funds and our reserves remain low. The same three trustees have been re-appointed in order to maintain the charity, but all aim to pass on their responsibilities to a new board as soon as is possible.
