The Foundation was registered as a Charitable Incorporated Organisation on the 3rd June 2019.

Objects

The objects of the Foundation are such purposes which are exclusively charitable according to the laws of England and Wales as the trustees shall in their absolute discretion determine, including (but not limited to):

- promoting without distinction of sex, sexual orientation, race or of political, religious, or other opinions by associating with the local authorities and voluntary organisations in a common effort to advance education and to provide facilities in the interests of social welfare.

LIONS CLUBS INTERNATIONAL DISTRICT 105N

FOUNDATION

The trustees confirm they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit 'Charities and Public Benefit'. This year the Foundation has continued to provide public benefit, and we will explain how this has been achieved in this report.

All the administration expenses of the Foundation are dealt with through District 105N's 'Administration Account' the balance of which does not include any money raised from members of the public. The amount of expenses for travelling to meetings and room hire, for the period of these financial statements was zero as all meetings were conducted through zoom.

District N consists of 70 separate Lions Club. Each club is autonomous and can decide on what Charitable donations they make. If a club decides to donate to a project or appeal from the international organisation, the Multiple District or the District then those funds will be channeled through the Foundation. The trustees can confirm that the only liabilities that the Foundation does have relate to funds held with the Foundation's accounts pending the progression of these projects or appeals.

During the past year the Foundation has not raised any funds directly from the public, although this is something that the Trustees may consider in the future. The Foundation has a grant making criteria, under which any applications would be considered by the trustees at their meetings.

Financial Review

During the year, the Foundation received income from donations from Lions Clubs within the District. In 2023/2024 the total received was £103,067.56

The sum of £107,169.52 was expended on charitable activities during the year. The highlights in the year were the raising of £44,285.92 towards the Lions Clubs International Foundation (LCIF) with £10,940 going towards the project to provide stoves for families in Ukraine, the raising of £22,943.22 towards the St Johns Hospice Project in Doncaster, half of which was raised by the clubs in the Doncaster area and matched funded by the LCIF. The sanctuary appeal at Martin House Children's Hospice received matched funding of £22,265 from LCIF.

Work has been ongoing to review the Youth Funds held by the district. As part of this review the trustees decided to incorporate the District 105NE Youth Fund, The District N Youth Fund and the ROAR project fees into one single fund called District 105N Youth Fund.
