He attended special school for the blind to complete his secondary education; obtained his First degree and Masters programmes in one of the universities in Nigeria. It was at this point we encountered him. He approached Achieve Africa and requested to be sponsored for his PhD programme in the University of Nigeria Nsuka. This will also place him in a position to support other physically challenged young people in his situation, especially in the areas of advocacy.</p> <p>Mr Lawrence Ogueri was granted a full scholarship by Achieve Africa for at least four years, which started last years, 2022.</p>

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the care and education of disadvantaged children with a disability in south east Nigeria by providing, and assisting in the provision of, facilities and equipment for their use, including funds for the construction and improvement of domiciliary, educational and health facilities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Trustees met three times during the year. Unlike the previous year, this time it was possible to meet in person, not online meeting, as the pandemic restrictions were eased. Fund raising activity was not yet resumed. However, box donations and personal gifts of cash, cheques and bank transfers were received. These funds were mainly received from the people of the parish and other individuals. Trustees derived no personal benefit from Achieve Africa support.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Having received with thanks substantially all funds held by the former NATWEST account, which was an account prior to the incorporation of Achieve Africa CIO, the Trustees have agreed to close the previous account. It meant we would have only one business account.</p> <p>In December, we implored the charitable services of Rosita Unique Foundation, a local care agency, who usually carry out local activity for us at the grassroots level, to organise Christmas party for children in Umunumo who would have had no Christmas celebration but this. It was carried out with the voluntary support of Sister Chukwudire Nwaigwe, a local nun and others. Their implementation report was subsequently received and approved.</p> <p>We provided financial support to St Joseph's Orphanage, Fegge, Onitsha. This is an annual support.</p> <p>With a fully developed and functional website of Achieve Africa, we agreed that some persons should manage it and ensure that regular updates are guaranteed.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The financial position of the charity was satisfactory.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	It is a bit regrettable that due to the COVID and the after effects, we have not been able to utilise the funds as much as we ought to have done. However, reserves will be held for the purposes of ensuring the liquidity of the charity and to fund future activities in support of its purpose.
Amount of reserves held	Para 1.22	See financial returns.

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>The charity intended to raise funds by holding events, receiving donations including via its website. As life returns to normal after the pandemic, such vision would still be upheld.</p> <p>We had some plan to develop our activities commensurate with building our charity programme and support infrastructure.</p>
A description of the principal risks facing the charity	Para 1.46	<ol style="list-style-type: none"> 1. We recognised the need to maintain a sufficient number of trustees, especially, in view of two trustees, Peter Burrows and Ellen Olutunmogun, whose tenure would end in June 2022; and to build the charity team including through associate members. 2. It was decided that we would employ a representative who would be on ground for us in Nigeria. We couldn't possibly carry out vital projects from a distance without someone representing us.

Structure, Governance and Management

Description of charity's trusts:		
Type of governing document (trust deed, royal charter)	Para 1.25	Constitution
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	Charitable Incorporated Organisation registered 7 June 2019
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	<p>New trustees are recommended, chosen and approved by the charity trustees.</p> <p>Trustees are recruited and selected based on their experience and skills which can be applied in support of our purposes.</p>

Additional information (optional)

You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	We apply guidance provided by the Charity Commission and make use of training opportunities as they become available.
The charity's organisational structure and any wider network with which the charity works	Para 1.51	The charity is administered by its trustees independently and in accordance with its constitution.
Relationship with any related parties	Para 1.51	<p>The charity operates independently of other parties.</p> <p>We supported and will continue to develop partnering arrangements with chosen providers in our charitable area of South East Nigeria.</p> <p>These arrangements are under the control of the charity's trustees and managed to ensure delivery of our charitable purposes.</p> <p>We may partner with other organisations for the purposes of fund raising and promotion, subject to the approval of our trustees.</p>

As directed by the Charities Commission, the trustees are responsible for the preparation of the financial statements for the year ended

In accordance with your instructions, I have compiled these unaudited financial statements in order to assist you to fulfil your statutory responsibilities, from the accounting records and information and explanations supplied to me.

A report of receipts and payments in the prescribed format for submission to the Charities Commission is appended.

Basis of Independent Inspectors Report

My examination includes a review of the accounting records and receipts as kept by the Treasurer. These records were then used to prepare the Financial Statements. The Procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Accountants Statement

In the course of my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in, any material respect, the Treasurer and Trustees have not met the requirements to ensure that proper accounting records are kept, and accounts are prepared which agree with the accounting records.

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Opinion

In my opinion the financial statements give a true and fair view of the state of the financial position for the year ended 31st December 2020.
