### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the care and education of disadvantaged children with a disability in south east Nigeria by providing, and assisting in the provision of, facilities and equipment for their use, including funds for the construction and improvement of domiciliary, educational and health facilities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Trustees met three times during the year. Unlike the previous year, this time it was possible to meet in person, not online meeting, as the pandemic restrictions were eased.</p> <p>Fund raising activity was not yet resumed. However, box donations and personal gifts of cash, cheques and bank transfers were received. These funds were mainly received from the people of the parish and other individuals.</p> <p>Trustees derived no personal benefit from Achieve Africa support.</p>

### Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Having received with thanks substantially all funds held by the former NATWEST account, which was an account prior to the incorporation of Achieve Africa CIO, the Trustees have agreed to close the previous account. It meant we would have only one business account.</p> <p>In December, we implored the charitable services of Rosita Unique Foundation, a local care agency, who usually carry out local activity for us at the grassroots level, to organise Christmas party for children in Umunumo who would have had no Christmas celebration but this. It was carried out with the voluntary support of Sister Chukwudire Nwaigwe, a local nun and others. Their implementation report was subsequently received and approved.</p> <p>We provided financial support to St Joseph's Orphanage, Fegge, Onitsha. This is an annual support.</p> <p>With a fully developed and functional website of Achieve Africa, we agreed that some persons should manage it and ensure that regular updates are guaranteed.</p>

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The financial position of the charity was satisfactory.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	It is a bit regrettable that due to the COVID and the after effects, we have not been able to utilise the funds as much as we ought to have done. However, reserves will be held for the purposes of ensuring the liquidity of the charity and to fund future activities in support of its purpose.
Amount of reserves held	Para 1.22	See financial returns.

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>The charity intended to raise funds by holding events, receiving donations including via its website. As life returns to normal after the pandemic, such vision would still be upheld.</p> <p>We had some plan to develop our activities commensurate with building our charity programme and support infrastructure.</p>
A description of the principal risks facing the charity	Para 1.46	<ol style="list-style-type: none"><li>1. We recognised the need to maintain a sufficient number of trustees, especially, in view of two trustees, Peter Burrows and Ellen Olutunmogun, whose tenure would end in June 2022; and to build the charity team including through associate members.</li><li>2. It was decided that we would employ a representative who would be on ground for us in Nigeria. We couldn't possibly carry out vital projects from a distance without someone representing us.</li></ol>
