Re. Annual Report for Charity number: 1183792

To whom it may concern

The trustees decided last year to close this charity and I notified the commission that this was the case including minutes of the meeting of the Trustees. This Charity never had any assets and this remains the case. I am awaiting a response from the Commission on this issue.

Kind regards

To whom it may concern

On behalf of the Board of Trustees I am providing a statement for the 2023 annual return.

Following COVID, we have found it increasingly difficult to operate our charity where we help the general public in the East Midlands to become better drivers. Specifically the number of people interested in advanced driving has dwindled to single figures for the year. Consequently we are not in a position to continue this charity so we are starting the process of closing the charity (number 1183792).

Prior to COVID, we were operating as an unincorporated charity and the plan was to move to the charitable incorporated organisation this letter refers to. Because of the situation outlined above, we are remaining as an unincorporated charity and this is the reason for wanting to close charity 1183792.

Kind regards

Re 1183792 ADVANCED DRIVERS EAST MIDLANDS 2020 ANNUAL REPORT

I am writing on behalf of the Trustees of the above charity.

Coronavirus has prevented the activities and work of the charity completely in the year 1st of January 2020 to 31st of December 2020. As a result, we have had no income or expenditure for the year. Additionally, the money in our unincorporated charity (number 1002840) still remains in that charity's bank accounts. It is still the intention to transfer the money from that charity to Advanced Drivers East Midlands (number 1183792), and this is expected to be completed in 2021.

As there has been no activity and monies for this charity there is nothing to report. It is however expected that there will be a report on the activities of the above charity for the year in 2021, when is due in 2022.

I am sorry that I have been unable to furnish further details at the moment, but wish to assure you that progress will be have been made in the 2021 financial year, and that we shall be able to report on this.

Kind regards

Catherine Hunt - Secretary
