# **Bramcote and Stapleford Community Hub Trustees' Annual Report For The Year Ended 30 June 2024**

## **Report**

As in 2022-2023, the Trustees continued to search for new Trustees to assist in restarting the activities of the charity but were again unsuccessful in getting the commitment required. Activities were not restarted, therefore.

The Trustee's view is that charity should be wound up and scheduled a meeting for July 2024 to do this.

## **Structure, Governance and Management**

### **Governance**

The Bramcote and Stapleford Community Hub was constituted as a Charitable Incorporated Organisation on 11 June 2019; before that date, the Bramcote Hills Park Community Cafe CIC existed as a registered body which had commenced on 30 April 2016.

The trustees who have served during the period and since commencement are set out on page 5. None of the trustees, nor any person connected to them, has received any paid remuneration from the Charity in the year to 30 June 2024.

The power to appoint trustees is vested in existing trustees. Apart from the first Charity trustees, every trustee must be appointed for a term of three years by resolution passed at a properly convened meeting of the Charity trustees. All major decisions, including those of a financial nature, are made by the Board of Trustees at their meetings.

### **Appointing of Trustees**

Trustees are appointed through the unanimous voting of the Board of Trustees. The Board of Trustees is made up of members who demonstrate the commitment and ability to contribute valuable skills towards the running of the charity. Trustees are appointed for 3 years.

### **Finance**

The attached financial statements show the current state of the Charity's finances which the committee considers to be sound.

## **Reserves**

Bramcote and Stapleford Community Hub will raise money to build and develop its facilities which will be set aside for this purpose. This will be separate from the Charity's general reserves.

Bramcote and Stapleford Community Hub aims to keep a level of reserves that will cover 12 months of regular operating activity to guard against a loss of income. This is considered by the committee a reasonable level for this charity and will be reviewed at the AGM.

## **Future Plans**

The original project plan was severely disrupted by COVID-19 and the resignation of key trustees who the remaining trustees have not been able to replace. It has been put on hold pending the recruitment of new Trustees.

### Notes to the Accounts

#### 1. Basis of Preparation and Assessment of Going Concern

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective on 1 January 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005, which has since been withdrawn.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The accounts are presented in Sterling £.
