Trustees Annual Report for 2023-2024

This last year has been an interesting one for Saataec. There has been the continuation of the link between our charity and the Jofi Modern School in The Gambia whereby training has been given to the teachers in the nursery and the primary and Upper Basic schools.

The link with Wullingkama nursery school has not worked so well as it seems the nursery is in danger of closing due to local disagreements about the running of the school.

There is hope for links with other individuals and schools in relation to furthering the use of the Gambian 'GOALS' curriculum in nursery schools in The Gambia.

All the expenditure has been for storage of the books and materials collected which will be sent to The Gambia in due course.

The Trustees Annual Report for the year 13th June 2020 - 12th June 2021

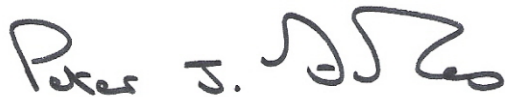

The year was a quiet one, due to Covid-19. Meetings were restricted and interaction with clients was by phone only. All activity has been voluntary. Charity activity abroad was hit by the Covid-19 pandemic which meant that no travel to The Gambia was possible. Hopefully this can resume in the future.

Books and equipment are being collected and stored in preparation for a visit to The Gambia.

Several U.K. clients have sought advice and assistance with managing autistic behaviour in children and adults with good outcomes.

New Trustees are being sought.

This report has been passed at the AGM on 11.02.21 and is signed on behalf of the Trustees by

A handwritten signature in black ink, appearing to read 'Peter J. Farley'.
