## **Statement from the Be Lucky Anti-Crime Foundation**

**At the Be Lucky Anti-Crime Foundation, we are proud to report significant achievements in our mission to promote safety and awareness in the Suffolk area. We have successfully deployed over 68 bleed control kits, aiming to enhance community resilience and preparedness. Our initiative includes engaging with Year 6 students in local schools to educate them about the critical importance of these kits and how they can potentially save lives.**

**We are fortunate to collaborate with EAS Medical, a team of trained paramedics dedicated to sharing their expertise with students. Their passion for saving lives and reducing knife crime is evident in every session we conduct. Currently, we have four schools lined up for this impactful program, and we are committed to expanding our outreach.**

**As we continue this vital work, we recognize the need to replenish our kits, as some items are perishable. Additionally, we are launching a new initiative to encourage taxi drivers and their companies to carry bleed control kits in their vehicles. We believe this will not only enhance public safety but also provide taxi drivers with the tools they need to assist in emergencies.**

**Together, we are making strides towards a safer community, and we are grateful for the support of our partners and the community at large. Thank you for being a part of our mission to save lives and reduce crime.**

## Important information about compensation arrangements

The account(s) listed in this statement are eligible for cover under the Financial Services Compensation Scheme (FSCS).

Protected

We're covered by the FSCS. The FSCS compensate depositors if a bank can't meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme. We'll give you the FSCS information sheet and exclusions list once a year. This tells you what is and isn't covered by the FSCS in lots of detail.

The FSCS protects eligible deposits up to £85,000 per person. The FSCS apply this limit to each person, and to the total combined amount of any money you have with the provider. For joint accounts, each account holder has a claim to their share separately. That means that in a joint account held by two eligible depositors, the maximum amount each person could claim is £85,000 each (for a total of £170,000).

For more information about FSCS compensation, head to the FSCS website at [www.FSCS.org.uk](http://www.FSCS.org.uk)

Monzo Bank Limited (<https://monzo.com>) is a company registered in England No. 9446231. Registered Office: Broadwalk House, 5 Appold Street, London EC2A 2AG. Monzo Bank Ltd is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Our Financial Services Register number is 730427.

The deposits in this account may be eligible for protection under the Financial Services Compensation Scheme (FSCS). The information sheet and exclusion list that provide more information and details about the FSCS can be found at <https://monzo.com/legal/business-account-fscs-information/>. **Dear Charity Trustees and Supporters,**

**I hope this message finds you well. I am excited to share with you the progress we have made in our efforts to enhance the safety and well-being of our local community. Over the past year, our dedicated team has been actively researching and exploring ways to improve emergency response in critical situations.**

**One area we have been focusing on is the implementation of bleed control kits within our community. These kits, designed to provide essential medical supplies in the event of a severe bleeding incident, have proven to be incredibly beneficial in saving lives. We firmly believe that by equipping individuals with the knowledge and tools necessary to respond effectively, we can make a significant impact on the well-being of our community.**

**In order to make this initiative a reality, we are actively seeking partnerships with local businesses. We envision a collaboration where companies purchase these bleed control kits and have their business details prominently displayed on the front. This not only provides them with a valuable opportunity for public recognition but also allows us to distribute these kits more widely throughout our community.**

**Additionally, we are planning to conduct informative talks within schools and local community groups. By educating our youth about the importance of immediate response in emergency situations, we hope to empower them with life-saving skills. These talks will include practical demonstrations on how to effectively use the bleed control kits, ensuring that the knowledge is accessible and applicable to all.**

**We believe that by working together with local businesses, schools, and community groups, we can create a safer environment for everyone. The impact of these efforts will extend far beyond the immediate benefits of the bleed control kits, as they will foster a culture of preparedness and resilience within our community.**

**We are excited about the potential impact of this project and would greatly appreciate your support in spreading the word and identifying potential partners. Together, we can make a difference and ensure the well-being of our community.**

**Thank you for your ongoing support and dedication to our cause. If you have any questions or suggestions, please do not hesitate to reach out to us.**

**Warm regards,  
The Be Lucky Anti Crime Foundation**

# BE LUCKY ANTI CRIME FOUNDATION

Charity Trustees .....

Chair - Paul Stansby

Trustee 1 Avani Stansby

Trusties 2 Jamie Hart

Our mission was to bring awareness to the local towns youths, we want to educate them in the horrors of knife crime and the devastating consequences that carrying a knife can lead to for both the victims and the perpetrators.

We give them full first hand experiences from the families effected by knife crime and lost loved ones and the nightmare with living with the loss and the after effects to thoughts left behind, not only the families who have lost the loved ones but the families that now have to deal with the fact that there son daughter/ husband wife are incarcerated for a long time and may never have normal family life.

We aim to reach children from the ages of 11 - 24 as we believe that it is always possible to make the change put down the knife and succeed in life time is precious and can never be replaced and this is explained in great detail by the families affected .

Our future plans are

- Setting up a podcast on YouTube and interviewing people who have been affected so this can be used over and over to the children via social media.
- We are looking at bleed control kits. A kit that is placed across the town simply to save live if a stabbing was to happen the kit is like a defibrillator a coded box that if any incidents happen you contact the emergency services that gives the code out and this has a kit that can help stem the bleeding until emergency services arrive.
- Getting into schools with gang members to talk about the dangers of knife crime.
