The SJL Foundation
Report of the Trustees
for the Year Ended 13th December 2022

The trustees present their report with the financial statements of the charity for the year ended 13th December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to advance such charitable purposes for the benefit of the public, as the trustees see fit from time to time, in particular, but not limited to making grants to charities, or other organisations working to advance charitable purpose.

Public benefit

The trustees confirm that The SJL Foundation has complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

ACHIEVEMENT AND PERFORMANCE

Charitable and fundraising activities

The Annual Ball was able to take place as well as the annual quiz and due to the success of these events and further donations to the Foundation we were able to make a grant award of £25,000 to Acorns Childrens Hospice. We were also able to give a donation to Hand in Hand for Oscar.

Fundraising policy

Our approach to fundraising is to encourage motivated individuals and companies to help us raise voluntary funds to support our aims and activities. We ensure fundraising doesn't put members of the public or our team under undue pressure to donate and comply with UK data protection and are registered with the fundraising regulator. We have received no fundraising complaints to either staff or trustees to date.

FINANCIAL REVIEW

Financial review

Incoming resources for the year were £54,217 (2021: £6,576) and resources expended were £45,463 (2021: £8,002). Net income for the year amounted to £8,754 (2021: net expenditure £1,426). The total funds of the charity at 13 December 2022 amounted to £9,915 (2021: £1,161).

Reserves policy

The charity's unrestricted reserves, excluding fixed assets, were £9,595 at 13 December 2022 (2021: £681).

The trustees believe minimal reserve levels are required in the charity, with very few overheads and the aim of awarding as many grants as possible. Reserves have increased following successful fundraising events in the year and are currently more than necessary. The Trustees will review the financial position in the next year and anticipate spending these funds on additional grant awards.

FUTURE PLANS

The trustees plan to continue fundraising to raise enough money to allow for future grants to be awarded in line with their charitable objectives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a constitution, and constitutes a charitable incorporated organisation (CIO). The charity is registered in England & Wales with the registration number 1183875.

Recruitment and appointment of new trustees

The existing trustees have sole power to appoint and train new trustees. New trustees are selected based on personal recommendations from contacts the existing trustees.

Decision making

The Trustees meet regularly to consider policy, initiate fundraising projects and decide on requests for grants. Decisions are made by majority vote.

The day to day running of the charity is performed by trustee, S J Lancaster.

Induction and training of new trustees

New trustees receive induction informally on trustee responsibility and the affairs of the Foundation as necessary.

Report of the Trustees
for the Year Ended 13th December 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure.

**Independent Examiner's Report to the Trustees of
The SJL Foundation**

Independent examiner's report to the trustees of The SJL Foundation

I report to the charity trustees on my examination of the accounts of The SJL Foundation (the Trust) for the year ended 13th December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The SJL Foundation

Notes to the Financial Statements for the Year Ended 13th December 2022

1. STATUTORY INFORMATION

The SJL Foundation is a charitable incorporated organisation registered with the Charity Commission for England and Wales.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be measured reliably.

Donated goods and services are measured at fair value when control over the economic benefit has passed to the charity.

Income from fundraising activities is included in the period in which the charity is entitled to receipt.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on cost
-----------------------	---------------

TAXATION

The charity is exempt from tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

FINANCIAL INSTRUMENTS

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised when the charity becomes party to contractual provisions of the instrument.

Financial assets are offset, with the net amounts presented in the accounts where there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2. ACCOUNTING POLICIES - continued

FINANCIAL INSTRUMENTS

Basic Financial Assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Basic Financial Liabilities

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of future receipts, discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the operations from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction cost.
