Fruits and veggie box

The beginning of 2020 was marked by Covid 19 and the first lockdown. Soon we identified in the community the need for food supplied, and we received different referrals for elderly people and families in Watford and Hemel Hempstead. We started to prepare boxes with fruits and vegetables that were delivered for approx. 80 people/families on a weekly basis. Some care packs were also prepared and delivered, a dental practice offering approx. 20 packs. A local restaurant joined the project and prepared hot meals that the charity delivered at the same time with the fruit and veggie boxes. The charity collaborated with different charities and local businesses to amplify the results. The project was well received in the community and it was presented in Watford Observer and an online News station.

The project stopped after 3 months due to the lack of funds; some families received food supplies occasionally.

Adopt a Family

Two families out of the three families previously selected in Romania, received occasional help with bills and food.

Reuse project

Two vans with clothes and shoes were sent to Romania, that were distributed by a group of volunteers in collaboration with the local Council/Mayor.

Summary of the main achievements of the charity during the year

The Fruits and veggie box project helped around 80 individuals/families with basic food in a period when the elderly shielded and were shopping restrictions in place. The charity collaborated with other charities and local businesses to amplify the results and build relationships for future projects. Some of projects in Romania were partially continued due to travel restrictions.
