Achievements and Performance

1) Sporting activity and participation

During 2022/23 we continued to support 3 sports - football, cricket and running.

Football

- We are very proud of the excellent growth we have seen in football participation. 34 'teams' now use our facilities (up 30% in 4 years) covering over 400 junior players, 120 senior players and 70 coaches;
 - teams affiliated to a league;
 - 5 mens and 1 womens senior football teams (an increase of 1)
 - 15 boys junior football teams (same as the prior season)
 - 8 girls junior football teams (an increase of 2)
 - 'participation only' teams remain at 6 groups. This covers boys' and girls' development squads, a men's social veterans group, and men's/women's walking football.
- We are now seeing the positive benefits of the time and investment made in our setting up our development squads set up over recent years;
 - Boys - we had our first ever U7 affiliated team, plus 2 teams at both U8, U9, U10 and U11.
 - Girls – we have been an FA Accredited Wildcats centre for 7 years and from this we have managed to create new girls teams every season, this year at U8 level for the first time
 - It is good to see that the development groups continue to attract new boys and girls wanting to take part in football
- Our annual 'Fair Play' summer tournament was our biggest ever with a record attendance of 139 visiting teams over the 2 day festival
- We ran 4 football day camps (7 days in total) during the year, attended by on average 70 children per day
- We continue to work closely with local schools to provide them access to quality facilities;
 - We were pleased to host the annual sports day for Inkberrow Primary School
 - Our positive relationship with the School Games organiser for North Worcestershire continued, and we were delighted to host the 2023 #LetGirlsPlay day, a national event to promote girls' football within schools.
- Kick it Out - Inkberrow FC is proud to be a part of this campaign and stand against discrimination, in all its form, racism, sexism, homophobia & transphobia.
- One of our Senior teams was successfully promoted into Step 6 of the FA Football Pyramid, the highest competitive level the club has ever played at. This was particularly pleasing given the core of the team have graduated from the junior section of the club, proving the continuing focus on improving the quality of coaching and facilities are bearing fruit. We continue to invest in coach development, both through formal FA led accreditations and our own CPD programmes.

Cricket

- 2023 has been another successful year for the club. Our seniors finished second in Division 8 East of the Worcestershire League following promotion the previous season, narrowly missing out on securing promotion through the end of season play-offs. The highlight of the season was seeing three of our U14 juniors secure their caps by making their debuts for the senior team and each of them contributing with bat, ball or in the field.
- The junior cricket section continues to grow with over 90 children playing across the different age groups, including U9, U10 and U11 teams playing in 5 different county competitions; our U11s won their T20 division only losing one game all season. Two of our U11s were selected to be part of the Worcestershire County squad.
- We ran our sixth year of the ECB's All Stars programme and third season of Dynamos cricket providing softball cricket for 5-11 year olds. Summer Friday nights at the club remained a firm favourite for children and parents and we look forward to welcoming everyone back in 2024.

Running

This year's Inkberrow Relay Race and junior fun run, the sixth we have organised, had more runners than ever before with a broad mix of teams from the village and local running clubs. The Tuesday evening social running club continued providing a weekly group run for runners of all abilities, and we held a number of athletics based sessions at the club in the summer holidays.

CHARITY COMMISSION
FOR ENGLAND AND WALES

With the numbers of children, young people and adults that have engaged over the year, we believe that we are delivering on our public benefit objectives. But we try to engage the community in ways other than sporting as well, holding events that often see large numbers of people, including family groups, attending from the village and surrounding areas. The annual bonfire and music festival, together with an increasing use of our pavilion for private hires, are all examples which, whilst also raising money for the charity, build great community spirit. We were also delighted to support a local 'warm space' initiative and welcome members of our community to meet at our pavilion to share free hot drinks on two mornings a week. This had such positive feedback that we have made it a permanent, all year round feature.

Like most voluntary organisations we rely on many people to make everything happen day to day. The Trustees would like to thank everyone who has helped us from the very many volunteers acting as coaches, managers, bar staff, cafe cooks/servers, and all those individuals who help us at our fundraising events. We are grateful for the support of the Parish Council and other local groups and in particular our neighbours along Sands Road.

2) Investment in Facilities

Three major investments were made during the year;

- £19k was spent to put an access road around the top field to help accommodate year round parking (which is vital on match days and big events)
- £19k was spent buying a further 1/8th tranche of the freehold title to the lower field. We now own the freehold title to 7/8^{ths} of this, with the final payment due March 2024
- most significantly £128k (of a total cost £155k) was spent to make our main football pitch 'Step 6' compliant. This includes floodlights, 2 stands, perimeter fencing, new dugouts and hardstanding to 2 sides of the pitch. £100k grant funding was secured from the Football Foundation, and we are very grateful to 8 Charity Members who provided £40k loan funding to allow us to complete this development in time for the new season

The charity board is now actively progressing the next priorities for investment which include a small sided 3G pitch provision, and investment into cricket facilities to support future growth.

3) Financial Review

The charity overall was again profitable, albeit at a reduced level of £8.1k (prior year £24.3k).

Trading Company

This company runs the café/bar and major fundraising events with the sole purpose of making profits to invest in our charitable purpose. In line with growth seen in other parts of the club, sales were £145k (+39% on prior year) and profits of £20k were generated for the Charity.

Charity

The charity itself generated income of £148k (prior year £110k) the main sources being;

- | | | |
|--------------------------------|--------|---------------------|
| • Membership and subscriptions | £90.4k | (prior year £75.9k) |
| • Sponsorship/Donations | £15.1k | (prior year £6.4k) |
| • Revenue grants | £1.3k | (prior year ££6.0k) |
| • Fundraising | £41.5k | (prior year £21.9k) |

Operational costs increased to £160k from £120k in the prior year. Sport related direct costs increased by £30k, which was in line with the additional revenue generated. Admin costs increased by £10k, but within that there were one off costs relating to training floodlights and new storage units. We also took the opportunity to spend additional money on pitch maintenance given the increased usage of the site.

Reserves

Total reserves stood at £244.8k, including cash and bank balances of £19.1k. Debt (repayable over the next 4 years) stood at £87.4k. The Trustees are confident that the charity remains a going concern.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2022

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
