## Achievements and Performance

### 1) Change to financial year

The charity financial year was amended in 2023-24 to run from the start of September to the end of April. This change was made taking account of advice provided by the charity's financial auditor, and in recognition of the administrative benefits of better aligning the financial year with the seasonality of different sports.

The following report therefore relates to the activities of the charity over a shortened 8-month financial year.

### 2) Sporting activity and participation

During 2023/24 we continued to support 3 sports - football, cricket and running. Highlights include:

#### Football

- We are very proud of the excellent growth we have seen in football participation. 35 'teams' now use our facilities (up 35% in 5 years) covering over 420 junior players, 120 senior players and 90 coaches. These are broken down as:
  - 29 teams are affiliated to a league
    - 4 men's and 1 women's senior football teams (no change)
    - 17 boys junior football teams (an increase of 2)
    - 7 girls junior football teams (a decrease of 1)
  - 6 'participation only' teams. This covers boys' and girls' development squads, a men's social veterans' group, and men's/women's walking football.
- We continue to see the positive benefits of the time and investment made in our setting up our development squads over recent years, with 10 affiliated teams now below U10 level, and very active U5, U6 and Wildcats centres which continue to attract new boys and girls wanting to take part in football.
- We ran 2 football day camps (3 days in total) during the 8m period of this report, attended by on average 60 children per day.
- We continue to work closely with Inkberrow Primary School to provide them access to quality facilities. We were pleased to again host their annual sports day as well as hosting a number of 'after school' clubs.
- Kick it Out - Inkberrow FC is proud to be a part of this campaign and stand against discrimination, in all its form, racism, sexism, homophobia & transphobia.
- We continue to invest energy into supporting both the ethos and standards of coaching, for the benefit of our wide range of players. A new coaches charter was introduced this year, and support for our coaches was further encouraged through other development opportunities including the visit of personnel from a local Premier League side and CPD engagement with Worcestershire FA.
- The Inkberrow Women's team made their mark in the FA Cup 2023-24, reaching the third qualifying round and bringing the competition to Inkberrow for the first time. Their achievements secured well deserved £4k prize money to be re-invested in the charity.
- One of our senior teams had a successful first season in Step 6 of the FA football pyramid.

This required enhancements to our facilities including our first two stands and led to some of the highest attendances (up to 231) at the club in recent years. The team narrowly missed promotion at the end of the season but accepted an offer to join the Step 5 u18s Hellenic League during the close season, to start in August 2024. This is the highest competitive level the club has ever played at and particularly pleasing given the core of the team have graduated from the junior section of the club, proving the continuing focus on improving the quality of coaching and facilities are bearing fruit.

### **Cricket**

- Changes to the charity's reporting year mean no competitive cricket took place during the reporting year. This did not prevent our cricket coaches from preparing for their forthcoming junior and senior 2024 seasons.
- Winter nets at Alcester Grammar School saw high participation levels, with both junior and senior cricket teams poised for promising campaigns.
- Junior membership looks set for a strong 2024. Early sign ups for the summer 2024 Dynamos and All Stars programmes – both supported by the ECB – suggests a busy summer ahead.

### **Running**

- An annual running event did not take place during the shortened 2023-24 reporting year. Preparations were underway in anticipation of a successfully run and popular event taking place in May 2024, including the initiation of some pre-event running groups to support the involvement of potential participants.

## **3) Additional activities**

Despite the shortened year, the charity delivered on its objectives across multiple sports, and the site is regularly witness to a range of enthusiastic young people and adults participating in activities of their choice.

During the year the charity submitted planning applications for two new developments:

- Provision for enhancements to the football stadium to be compliant with Step 5 requirements, should the SCI first have been promoted. This application garnered significant media attention, with the Board of Trustees issuing multiple statements explaining the purpose of the work.
- Provision for the installation of a new 3G facility, building on earlier work with the Football Foundation and Wychavon Council. If approved, this facility will be a major contribution to the charity's objective to provide sporting facilities for current and future participants. Throughout the year we have engaged extensively with potential users in terms of how to make optimal use of the facilities in furtherance of our objectives, if we are fortunate enough to progress with this new investment.

Outside sport, the charity engaged with the wider community through a fireworks and bonfire evening in November 2023, alongside planning for a music festival due to take place in summer 2024. These, coupled with a range of smaller events including a table tennis tournament both support the charity's role in the community, and support fundraising efforts.

We have continued to offer the well-attended local 'warm space' initiative, welcoming members of our community to meet at our pavilion to share free hot drinks on two mornings a week. The popularity and positive spirit of this initiative has seen it continue to be made available throughout the year.

Like most voluntary organisations we rely on many people to make everything happen day to day. The Trustees would like to thank everyone who has helped us including the many volunteers acting as coaches, managers, car park marshals, bar staff, cafe cooks/servers, and all those individuals who helped at our football tournament and firework and bonfire event.

We supported the work of other charities during the year. This included hosting and contributing towards an annual “Ollie and Oggy” charity day alongside Brake, the Primrose Hospice and The Salvation Army in August. Separately, the charity made a donation to the Grace Kelly Cancer Trust

We are grateful for the support of the Parish Council and other local groups and in particular our neighbours along Sands Road.

#### 4) Investment in Facilities

Capital Expenditure was £61k in the period. This comprised of:

- £19k was spent buying the final 1/8<sup>th</sup> tranche of the freehold title to the lower field.
- £24k was spent to complete the £155k investment of making our main football pitch and facilities ‘Step 6’ compliant. Following the promotion to ‘Step 5’ a further investment of c.£50k will be required by the end of March 2025
- £12k was spent on pre-planning costs for our major 3G project. At the time of writing all permissions and funding have now been agreed, and the £800k project is due to be completed by Christmas 2024
- £6k was spent on minor improvements to our pavilion and site fencing

During the year, the charity board supported the continued growth of Inkberrow cricket by exploring opportunities for a second cricket square on the top field.

#### 5) Financial Review

The charity overall was again profitable, with net profit £11.5k for the 8m period this report covers.

##### Trading Company

This company runs the café/bar and major fundraising events with the sole purpose of making profits to invest in our charitable purpose. In line with growth seen in other parts of the club, sales were £80k (+20% on the equivalent period prior year) and profits of £8.4k were generated for the Charity.

##### Charity

The charity itself generated income of £144.6k in the 8m period (prior 12m £149.6k) the main sources being:

- |                           |         |                    |
|---------------------------|---------|--------------------|
| • Charitable activities   | £101.6k | (prior 12m £95.0k) |
| • Donations               | £0.6k   | (prior 12m £7.3k)  |
| • Fundraising/Sponsorship | £42.4k  | (prior 12m £47.3k) |

Overall charity costs were £141.5k which left a small profit of £3.1k

##### Reserves

Total reserves stood at £256.3k, including cash and bank balances of £5.4k. Debt (repayable over the next 4 years) stood at £89.9k. The Trustees are confident that the charity remains a going concern.

#### 6) Structure, Governance and Management

The charity is formally constituted as a company limited by guarantee and registered with Companies House (CRN 11936856). During 2023/24 the following eight trustees served on the Board for some or all of the year:

Rob Bailey  
Jim Preece

Ed Wallis  
Mark Wilkinson

Neil Guy  
Alistair Eaton

Eddie Hobson  
Tom Barcham

The charity does not have any corporate trustees or any trustees that own title to any of our assets. The charity appoints all of the directors of its trading subsidiary.

A number of sub-committees are in place to manage the day to day running of the Charity.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

**Independent
