Organisation

DDCM is governed by a board of Trustees who are appointed to serve the Church and run its affairs. Annually the Board reviews the range of skills it has available and uses its power of co-option to ensure that gaps are filled.

Risk and Internal Control

The Trustees review the main operational risks and take actions to manage or mitigate them accordingly.

During the year, donations received totaled £8507.47. The donations received have been made available without restriction as to its usage.

The balance on the Charity's Funds is unrestricted. These will be used to fund the Charity's objectives during the new financial year. The Trustees confirm that the Charity's assets are available and adequate to enable it to fulfill its obligations.

Reserve Policy

Freely available reserves are a pool of unapplied resources available to meet future demands on the charity's resources. This is "general purpose money that can be spent on any of the purposes of the charity.

Reserves are required to ensure the charity can meet its general business commitments.

Statement of trustees: responsibilities for the preparation of financial statements

Charity law requires the Trustees to prepare financial statements which show a true and fair view of the state of the charity affairs as at the year end and of the resources received and expended by the charity for the year then ended. To meet this requirement, the Trustees must be satisfied that suitable accounting policies are selected and then consistently applied and judgments or estimates that are made are reasonable and prudent.

Applicable accounting standards and statements of recommended practice were followed.
Financial statements are prepared on a going concern basis unless it's inappropriate to assume that the charity will continue its activities.

The Trustees are responsible for ensuring that proper books are maintained, for safeguarding the assets of the charity, and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board has reviewed the effectiveness of the system of internal control for the period to 31 March 2022 and for the period to the date of signing these accounts. There are no material weaknesses that would have resulted in losses, contingencies and uncertainties that require a separate disclosure in these accounts.
