Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The cash balance at the end of the period is £1,063,672.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	As this is the early stages of the charity with only some admin and capital expenditure, the Trustees have not yet set a reserves policy. The Trustees will readdress this once the medical missions begin fully and the costs on the ground are possible to anticipate. The trustees consider the reserves of the Charity should be sufficient to guarantee the long-term future of the Charity
Amount of reserves held	Para 1.22	£1,063.672. This is the cash balance as the accounts are prepared on cash basis.
Reasons for holding zero reserves	Para 1.22	Not applicable
Details of fund materially in deficit	Para 1.24	No funds in deficit
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	No going concern issues identified as the charity has cash of over £1m for charitable activities for the foreseeable future.
