THE SCS TRUST

R E P O R T O F T H E T R U S T E E S

Year ended 31 December 2020

The Trustees present their report and financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 of the financial statements and with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). This report should be read in conjunction with the information on page 2.

Structure, governance and management

The SCS Trust is an unincorporated charity, constructed under a Trust deed dated 17 August 2017 and is a registered charity, number 1184007.

The power to appoint new Trustees is vested in the Settlor during his lifetime. Responsibility for the induction of any new Trustee, which involves awareness of the history and approach of the charity and an understanding of a Trustee's duties, lies with the Trustees. A new Trustee would receive copies of the previous year's accounts.

At the Trustees' meeting, the Trustees agree the strategy of the Trust, including consideration of donation making, investments, reserves and risk management policies. The day to day administration of the charity is carried out by John Swire & Sons Limited. The major risks to which the Trust may be exposed, as identified by the Trustees, have been reviewed to confirm that systems, where appropriate, exist to mitigate those risks.

Grant making policy

The Trustees meet to consider what grants/donations they will make and to review any feedback they have received.

Although the Trustees make some grants with no formal applications, they normally require organisations to submit a request explaining how the funds could be used and what would be achieved.

Objectives, activities and achievements for the public benefit

The objective of the Trust is to provide donations and grants to charities in the United Kingdom and elsewhere.

In the year ended 31 December 2020, the Trust made donations and grants totalling £34,000 (2019 - £25,000).

The Trustees intend to continue to provide support to their chosen charitable causes.

The Trustees, having regard to the public benefit guidance published by the Charity Commission in accordance with section 17 of the Charities Act 2011, consider that the purpose and activities of the charity satisfy the requirements of the public benefit test set out in the section 4 of the same Act.

Investment policy

The Trustees' principal resources arise from donations to the Trust. The Trustees maintain a cash balance in order to provide a fund to meet grants and donations which they wish to make in excess of donations received in any particular year.

In this regard the Trustees have noted the statutory duty of care required by the Trustee Act 2000, in relation to their holding suitable investments and the need for diversification of investments so far as is appropriate to the circumstances of the Trust.

The Trustees' overall investment objective is to achieve a level of investment income growth which at least matches the rate of inflation, while protecting the value of the charity's capital in real terms.

The charity does not operate an "ethical investment policy".

THE SCS TRUST

REPORT OF THE TRUSTEES

Year ended 31 December 2020

Financial review

The investments held in the portfolio with Newton have performed satisfactorily during the year, with the market value of the investments increasing by 1.6%. During the year funds were added such that the overall increase in the portfolio was 71.9%.

At the year end the balance on the unrestricted fund stood at a surplus of £35,888 (2019 - deficit of £26,061). The donations received in the year were to the expendable endowment funds in order to build a sufficient capital from which income will be generated to make donations for many years to come. Dividends of £76,550 were received in the year (2019 - £nil).

Under the governing document, the Trustees have the power to convert the expendable endowment funds to unrestricted funds and the Trustees transferred £26,061 (2019 - £nil) to cover the deficit arising in the prior year.

Reserves policy

The Trust was created in August 2017 and provides the Trustees with wide powers of discretion to distribute the donations and other income of the Trust fund for charitable purposes as the Trustees determine. It has been the Settlor's and Trustees' intention that the Trust fund should be able to grow during the accumulation period with the help of accumulation of income. Once income is accumulated, it becomes an addition to the Trust's capital.

The Trustees discussed the need for reserves, and concluded that no reserves need to be retained whilst the power to accumulate income remains available.

Key management personnel remuneration

The Trustees consider the board of trustees as comprising the key management personnel of the charity in charge of directing and controlling the charity and operating the charity on a day-to-day basis. All Trustees give their time freely and no Trustee remuneration or expense reimbursements were paid in the year.

Risk management

The principal risks faced by the charity lie in the performance of the investments and risks from ineffective grant making. The variability of investment returns is the charity's major financial risk. It mitigates this risk by retaining expert investment advisors and having a diversified investment portfolio. The risk from ineffective grant-making is mitigated by carrying out research on charitable institutions to establish whether potential donations will be used effectively and in furtherance of this charity's own objectives.

THE SCS TRUST

REPORT OF THE TRUSTEES

Year ended 31 December 2020

Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards. The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE SCS TRUST

INDEPENDENT EXAMINER'S REPORT

Year ended 31 December 2020

Independent examiner's report to the trustees of The SCS Trust.

I report to the trustees on my examination of the accounts of the Trust for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). You are satisfied that an audit is not required for this year under charity law and that an independent examination is needed.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters than an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE SCS TRUST

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2020

I. Accounting policies

(a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historic cost convention, with the exception that investments are included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The financial statements are presented in Sterling which is the functional currency of the trust and rounded to the nearest £.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. There are no significant areas of adjustment and key assumptions that affect items in the accounts. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the risk management section of the Trustees' annual report for more information).

(b) Funds structure

The charity has an endowment fund created by a gift. The income of this Trust is unrestricted. The terms of the endowment allow the capital of the fund to be spent if the Trustees so determine.

Unrestricted funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and amount of income receivable can be measured reliably.

Donations are recognised when the Trust has been notified in writing of both the amount and settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and the notification has been received of the dividend due.

(d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. This is accrued once the recipient has been notified of the grant award.

(e) Support and governance costs

The Charity does not incur support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. Governance costs relate to charitable activities.

(f) Charitable activities

Costs of charitable activities include grants made and governance costs as shown in note 4.

THE SCS TRUST

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2020

(g) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities within particular sectors or sub sectors.

(h) Realised gains and losses

All gains and losses are included net in the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

2. Donations and Legacies	2020 £	2019 £
Endowment Capital Fund		
Cash donation and tax repayment	1,250,000	3,742,500
	<u>1,250,000</u>	<u>3,742,500</u>
