Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	CONSTITUTION OF THE INTERNATIONAL ASSOCIATION OF LIONS CLUBS
How the charity is constituted (eg. trust, association, company)	As a CIO
Trustee selection methods (eg. appointed by, elected by)	As per Constitution

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Witney Lions Club (CIO) is a club within The International Association of Lions Clubs, a worldwide voluntary service organisation. Witney Lions Club (CIO) is a member of District 105a (one of eight districts covering England, Wales, Scotland and Channel Islands which form the UK Multi District 105).

The major risk to the club is we have an ageing membership and combined with the problems faced by many volunteer organisations, i.e. the difficulties faced in recruiting new members. This has been identified as the greatest risk to this club activities.

The reduction in income due to the general economic climate affecting our ability to support the local community is now a risk factor.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the Club are such purposes as are exclusively charitable in England, Scotland and Wales, including in particular:

The advancement of citizenship by:
Promoting the principles of good citizenship
Encouraging members to take an active interest in the civic, cultural social and moral welfare of the community.
Providing a forum for the open discussion of all matters of public interest; provided that partisan politics and sectarian religion shall not be debated by members;
Encouraging service minded people to serve their community without personal reward and encouraging the promotion of high ethical standards in commerce, industry, professions public works and private endeavours;
Supporting youth to develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals;
Promoting the voluntary sector for the public benefit by associating with local authorities in a common effort to advance education and provide facilities in the interests of social welfare and recreation or other leisure time occupation to improve the conditions of life of people in local, national and international communities
Promoting volunteering;

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The relief of poverty and the relief of those in need particularly by providing humanitarian aid and disaster relief;
The advancement of health or the saving of lives preventing avoidable blindness, assisting disabled people to lead independent lives or helping to prevent or manage health issues;
Promoting for the benefit of the public the conservation protection and improvement of the physical and natural environment; and/or
Promoting community participation in healthy recreation.

Our main fundraising event this year was our annual Christmas collections in Witney and surrounding villages/towns. This year we managed to support 12 events throughout the area raising just over £5000 (gross) via donations. This enables us to engage with the communities we serve.

Witney Carnival is a free event for the community and we work in collaboration with other local organisations and the Town Council to deliver this large community event. The event includes a carnival parade through the streets of Witney followed by community and fundraising activities on the local recreational space. The participants in the parade come from a wide range of local schools, community groups and organisations. This event is a traditional event run for the benefit of the whole community, as the spaces are flat and accessible it enables participation by all. Attendance was up as the weather was suitable for attendees to spend longer at this event so the amount received went up from the previous year.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Witney Lions Club (CIO) were able to support a wide range of community groups and individuals during 2024-2025.

Witney Lions awarded grants directly in response to requests received and ran our annual Witney Lions Dream Scheme enabling local groups to apply for funding to enable them to work and provide support within the community.

As well as the Dream Scheme further donations helped individuals and families in need as well as organisations supporting those in need in the local area. These grants totalled £790.

This year's Witney Lions Dream Scheme distributed over £4000. The Scheme was funded by the money raised from our Christmas collections. These funds were pledged and paid out to eleven community groups and clubs across the area we cover. The recipients support a wide range of activities in the community. The recipients included pre-schools, a local special primary school, an organisation which supports children to read, youth football, youth groups including a youth centre and guiding group as well as groups supporting the adult community.

As part of the Lions Clubs International British Isles Projects and in collaboration with local opticians we have set up spectacle recycling bins. The used spectacles are collected and taken to a UK central collection point where they are processed and recycled supporting community eye clinics across the world. 10,000 pairs of spectacles were sent for recycling by this project from our area.

We made donations to the Lions district to support a variety of initiatives they were undertaking. These included supplying portable stoves to Ukraine for warmth and cooking. Research for Brain Tumours and Prostate.

In addition, we support the Lions Message in a Bottle and Message in a Wallet national project working with local groups and the NHS to distribute these, thereby supporting this lifesaving service. The cost of these projects is funded by the money we raise throughout the year. We have purchased a defibrillator (£1000) enabling 24/7 access to this equipment for an area within the local community.

We supported other organisers outside of the Dream Scheme, including the local Baby Bank which gives basics including formula to those in need. A local group that gives mental health and educational support to the 16-24 year in our community.

In order to carry on supporting the Witney Carnival, we had to replace the canopies on both our large marques (£1144) and new side walls for our 3 gazebos (£525). We mainly use the marques and the gazebos for this public event and due to wear and tear, they had deteriorated. The gazebos are also used throughout the year to support fundraising events for and within the community.

Section E

Financial review

Brief statement of the charity's policy on reserves

We do not have a specific reserve amount, we distribute our funds as we raise them. We hold reserves to ensure we can cover the fundraising costs for the events we hold and carry over funds to enable us to make grants to those most in need within the community we operate throughout the year.

Details of any funds materially in deficit**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Section F**Other optional information**

The Christmas collection makes the largest contribution to the funds, once costs were covered this raised £4700.

Witney Carnival once all costs by the Witney Carnival Committee were covered generated a £2000 donation to the club.

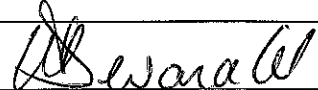

Members of the Witney Lions Club (CIO) membership fees and social events are covered by income for the membership events and fees.

We were fortunate this year to hold a number of small events including a book stalls and receive additional donations from supporters adding to the funds we were able to distribute during the year.

Section G**Declaration**

The trustees declare that they have approved the trustees' report above.
