From **1 April 2023** Period start date To **31 March 2024** Period end date

Charity name: **Nidderdale and Pateley Bridge Men's Shed C.I.O. (Pateley Shed)**

Charity registration number: **1184036**

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The objects of the CIO (Pateley Shed) as in our Constitution are for:</p> <p>the public benefit, the preservation and protection of good health by addressing rural isolation & social exclusion among men aged 18 years and older, living in Nidderdale and Pateley Bridge and the surrounding area, including those who are retired, unemployed or have health problems.</p> <p>We do this through the provision and management of facilities in which they can meet to undertake creative, physical, or recreational activities, plus learning and/or passing on skills and knowledge, and helping with community-based projects while supporting each other socially.</p> <p>A key aim is to provide an environment that is safe and that encourages the sharing of life's experiences, concerns, and problems and a "listening ear" to further each other's well-being.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>During the period of this report the main activities of members, apart from doing their own personal crafts/projects have included:</p> <ul style="list-style-type: none">• Maintaining the three morning sessions a week 09:30 – 13:00 to work on personal and group projects as members wished.

		<ul style="list-style-type: none"> Continuing to provide ad hoc facilities maintenance to Nidderdale Plus, both at their community hub and at their charity shop in Pateley High Street. Designing, building, and installing an Easter display on the High Street for the Pateley Bridge Town Council; made so that it can be re-used in the future. Re-visiting to repaint (to a British Mile Posts Society specification) two corroded road side Mile Posts, after finding out they were listed monuments, for the Pateley Bridge Town Council. Refurbishing a dilapidated iron frame and timber garden seat found rotted by a local resident. Supplying, making, and installing an external garden gate for a resident prior to her holding a local Arts exhibition in her garden. Completed on time! <p>Unfortunately, during this financial year, full time membership has dropped from 25 to 18 men. However, the number of hard-core members attending all three sessions has risen from 5 to around 10 each morning. Plus, we are doing more small works of kindness in the local community, thus benefiting from the charity's existence.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p><u>Declaration</u> – as Trustees we have had regard to the guidance issued by the Charity Commission on public benefit.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Pateley Shed provides a great way of achieving the "5 Steps to Well-being" promoted by the NHS and other agencies.</p> <p><u>One volunteer recently commented:</u> <i>A few months ago, I found myself to be in a very difficult place mentally. I was isolated, depressed, and anxious. The Men's Shed has provided me an opportunity to get back in contact with society and I appreciated the support of the people there. The good news is that my mental issues have improved.</i></p> <p><u>Other volunteers have made comments</u> such as: <i>"it gives me a reason to get out of bed";</i></p>

		<p><i>"I really appreciate my time at the Shed as it's a break from being my wife's Carer":</i></p> <p><i>"I just love the way I can come in here and chat over a cuppa, without any expectation that I have to make something".</i></p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>Our receipts in this financial year ending 31 March 2024 were £7,126 down 12% on last year (£8,079), which reflects the lack of volunteer time this year to apply for grants.</p> <p>Expenditure is in line with the charity's objectives and our tenancy conditions as can be seen from our accounts which will be filed with the Charity Commission and HMRC in due course.</p> <p>Payments during the year were £8,404 down 7% on last year (£9,053), resulting in a deficit of £1,278 (£973). This increase is due mainly to the charity having to pay rent and a back payment of Business Rates to North Yorkshire Council, plus increased use of electricity and materials for community projects.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>As of year-end 31 March 2024 our Reserves (i.e., unrestricted funds) stood at £ 2,821 down 32% on last year's (£4,153)</p> <p>In response to one of our sub-tenants paying their rent erratically and then being evicted, members agreed that we should continue to build up our reserves. So that we could pay our new rent of £2,855 (an increase of 19% on the previous lease £2,400 p.a.) independently of the rent we received from any sub-tenants. Our current lease ended on 31 March 2024 so our reserves will contribute to this policy going forward with the renewed lease.</p>
Amount of reserves held	Para 1.22	£2,821
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	Our Surplus/Deficit for 2023-24 is a negative £1,278 up 31% on the previous deficit of £973; due mainly to a lack of obtaining Grants across the year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	As of January 1 st , 2024, we were uncertain as to the viability of the Shed given that the next 18 months looked financially challenging. An unexpected financial issue of a Business Rates demand that goes back to March 2021, due to an over-sight by the then Harrogate Borough Council, that only appears to have been noticed since the recent Council re-organisation. After further discussions we still have to make back payments in 2024-25 of £2,484

		<p>as Additional Discretionary Relief cannot be back dated.</p> <p>Coupled with this our rent to North Yorkshire Council will increase by 19 % from 1st April 2024 while in May, our electricity contract will increase by around 32%.</p> <p>Finally, having evicted a sub-tenant due to rent arrears the current surplus/deficit for 2023-24 will be vulnerable without additional funding from grants.</p> <p>The eviction has given us additional space to expand allowing us to continue growing. A new sub tenant wishes to rent some of the space, thus contributing to our income going forward.</p> <p>Also, as of the end of May 2024 we have successfully obtained over £20,000 in grants which will enable us to continue well into 2025 – 26 financial year.</p>

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>Sources of finance are annual membership fees (doubled to £120 p.a. from 1 April 2024) and from these we received £123 in Gift Aid from HMRC. This year we received a grant of £775 from the Nidderdale Plus Community Fund to upgrade our workshop electrical circuits. We continue to apply for appropriate grants both regionally and nationally.</p> <p>In addition, in this financial year we have earned £550 income from small projects - charging for materials and labour at £10 an hour - regardless of the number of men involved.</p>
Investment policy and objectives including any social investment policy adopted.	Para 1.46	<p>Investment policy not applicable at present.</p>
A description of the principal risks facing the charity	Para 1.46	<p>Our principal risks facing the charity are:</p> <ul style="list-style-type: none"> • Loosing income from our sub-tenants which covers our rent to North Yorkshire Council. • Being unable to pay the higher Electricity charges from May 2024, especially the huge increase in Standing Charges compared to our previous contract. • Not continuing to attract new members. • Not being awarded any grants during the forthcoming years.

Other Information

The Pateley Shed is situated in what was a former Youth Centre run by NYCC, then became a Pre-school nursery before becoming workshops. Our site address is :

**Nidderdale Community Services Centre, Off King Street Workshops,
King Street, Pateley Bridge HG3 5LE**

Areas like Nidderdale can present unique challenges for local people and these are disproportionately experienced by people who are elderly, ill, or vulnerable. More than a quarter –

25.5% - of Nidderdale's 8,850 people are aged 65 and over (as opposed to the national average of 17.7%).

Living in rural areas creates higher levels of poverty than suggested by the Indices of Multiple Deprivation. Joseph Rowntree's Minimum Income Standards found that once fuel, housing, and travel are factored in, rural budgets need to be 20% higher than urban budgets to maintain the same living standards. The Observer (2013) reported that 25% of farming families live on or below the poverty line with people in rural communities earning £5,000 less than the national average. This means there is a significant proportion of the population in Nidderdale struggling in some way and Pateley Shed can help improve their well-being.

The workshop facilities and friendships built in our "Pateley Shed" do provide a route to better health that is compliant with the "Five Ways to Well Being" programme i.e.,

- Connect;
- Learn;
- Be Active;
- Take Notice
- Give,

currently being promoted by Public Health England, the NHS and several Mental Health charities and organisations. Men's Sheds do appear to support this argument with over 600 Shed's operating in the UK plus 150 in development regularly attended by over 13,000 "Shedders" (Source - UK Men's Shed Association).

8	<u>Electricity</u> - Fixed price contract taken out before the Ukraine war, paid quarterly. Includes cost of car charging which is recovered (£916) at a higher rate from Azesta - see Note 1 above.			
9	<u>Rent & Business Rates</u> - Rent of £2,400 p.a. plus £82 outstanding Business Rates 2023 - 24 while waiting for Additional Discretionary Relief entitlement to be awarded by NYC			
10	<u>Outstanding Business Rates 2021 - 24</u> - In December 2023 we were informed by NYC that we owed Business Rates from March 2021 to 31 March 2024. This was due to an oversight by the then Harrogate Borough Council that only came to light with the setting up of the North Yorkshire Council unitary authority. With charity relief it was agreed that we must pay £2,714 by 31 March 2025 as Additional Discretionary Relief cannot be given retrospectively for past years, despite the oversight by NYC. So year to date we have paid £423 of the outstanding amount.			
11	<u>Insurance</u> - covers both 2023 -24 (£618) and 2024 -25 (£558) due on 1st April 2024, hence paid in March 2024
