Section B *Structure, governance and management*

Description of the charity's trusts

Type of governing document	Constitution Rules and Regulations Handbook
How the charity is constituted	Registered as a Charitable Incorporated Organisation 21 June 2019.
Trustee selection methods	Apart from the first charity trustees, every trustee must be appointed by a resolution passed at a properly convened meeting of the charity trustees.

Section C *Objectives and activities*

Summary of the objects of the charity set out in its governing document

The purposes of Reach North Wales are:

1. the advancement of the Christian faith in accordance with the Basis of Faith primarily but not exclusively within North Wales and the surrounding area.
2. such other charitable purposes, as shall in the opinion of the charity trustees, facilitate the work of the CIO, provided that such purposes must be carried out in a manner consistent with the basis of faith.

Summary of the main activities undertaken for the public benefit in relation to these objects

All the charity trustees have confirmed that they have read and understood the Charity Commission guidance on public benefit, and have given due regard to this guidance when exercising any relevant powers or duties.

Regular Meetings of the Trustees

Reach North Wales is a partnership of gospel churches and individuals working together to plant new churches and revitalise existing churches across North Wales. In 2019 Reach was a newly formed charity with the following aims during meetings:

- To identify areas which need new churches;
- To recognise that gospel partnership in North Wales ought to be regional, as well as local. Our work to start with was divided into two regions North Wales East and North Wales West, and focused on the specific needs within each of them;

- To help existing churches support planting work in areas identified which are near to them;
- To lead and establish church plants ourselves;
- To promote informed praying for the Lord's work in these situations;
- To identify gifted and trained gospel workers who are being called by God to plant in North Wales;
- To connect with supporters who can bring prayer, finances and other help in order to see churches planted;
- To direct resources to the planters and churches we partner with;
- Where possible, to partner bilingually, recognising the need to serve communities in North Wales in their respective heart-languages;
- To provide training events, conferences, advice and support to those interested and aligned to its objectives and vision;

We were able to meet 3 times in 2021, online, following the lockdown impacts.

Reach North Wales exists to help the planting of local churches in North Wales. The churches represented have collectively planted three churches already and our hope with God's help is to accelerate this in the coming years.

Fundraising

Reach North Wales does not have a formal membership but is an informal group of individuals and churches who support its aims. It aims to be funded by churches, Christian trusts, and individual donors who wish to assist its aims through financial support.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Following the formation of the charity in 2019, the trustees made good progress in moving towards appointing a Director and formulating a church planting vision for North Wales. However, as a result of the pandemic, the change in trustees, and local church priorities we agreed that during 2021 and 2022 we would meet for prayer and send out regular social media posts. Although the pandemic has been challenging, we agreed that we didn't feel we should cease RNW activities. We did agree that we shouldn't appoint a director as local churches were not yet in a position to support funding one.

Section E Financial review

Reserves and Deficit

The charity does not presently have a reserves policy. There are no funds in deficit.

Further financial review details

The charity has not actively fundraised in 2021. GCD gave £100 towards 2021 and 2022 website domain and hosting costs.

Section F Other optional information

The charity engages with several organisations for help in achieving its aims.

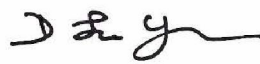

1. The Fellowship of Independent Evangelical Churches (FIEC) for dialogue and shared experience with other likeminded churches across the UK.
2. The charity does not presently have a safeguarding policy as it does not engage in work with children or vulnerable adults. However, considering the nature of our work, it is wise for a safeguarding policy to be in place in future. Daf as progressed advice from Thirtyone:eight, an independent Christian charity which helps individuals, organisations, charities, faith and community groups to protect vulnerable people from abuse. Agreed we need a policy, led by Daf, if we are to reignite activities in 2023
3. Compliance with General Data Protection Regulations needs to be established with appropriate policies, modification of certain processes, and training/awareness-raising.

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees.
