LAW ENFORCEMENT ACTION PARTNERSHIP UK/EUROPE CHARITABLE INCORPORATED ORGANISATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and the financial statements for the year ended 31 March 2024.

Status

The organisation is a charitable incorporated organisation (CIO) limited by guarantee, registered as a charity on 24 June 2019.

The Charitable Incorporated Organisation (CIO) was established under an association constitution dated 24 June 2019, which established the objects, powers and governance of the CIO. Members have no liability to contribute to the CIO's assets and no personal responsibility for settling the CIO's debts and liabilities, in the event of winding up.

The reference and administrative details are shown on page 1.

Objectives and activities

The purposes of the Charitable Incorporated Organisation (CIO) are the saving of lives and the prevention of drug related crime for the public benefit by - (a) raising awareness of the causes and effects of problematic drug use and drug related crime with the public, service providers and professionals including police services, and policy makers; (b) promoting evidence-based best practice in policing, harm reduction and drug treatment.

In 2023/2024 the charity was focussed on carrying out a governance and operational review, including its working relationship with its international partners. As such, the charity pared back its programme of activities. The charity's limited activities in this financial year were aimed at raising awareness of the causes and effects of problematic drug use, drug related crime and the promotion and recommended best practice in policing, harm reduction and drug treatment. The charity achieved this primarily through activities to raise awareness of its work, partnering with artists and attending conferences.

Achievements and performance

In 2023/2024 the charity was focused on its governance and operational review and make good progress in implementing changes to streamline and improve its governance and operations. The charity also continued to build relationships with other organisations working in the sector, including those who historically have been reticent to engage with organisations linked to or involved in policing. The charity also generally raised awareness of its work through social media, projects with artists, and by attending conferences.

Contribution made by volunteers

LEAP UK has an excellent team of volunteers who primarily drove forward its activities in 2023/2024. The charity is incredibly grateful to our team of volunteers who work to help us meet our aims and objectives.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

A description of the principle risks facing the charity

LEAP UK has been focussed on reviewing its governance and operations, working closely with its international partner organisations. As part of this process, the charity has identified and implemented a number of improvements. The charity has also faced funding challenges, though support from partner organisations and the charity's volunteers has enabled the charity to carry out the work as described in this report, as well as a governance and operational review.

Financial review and plans for future periods

These financial statements confirm that the charity was in a secure financial position as it entered its fifth year.

Nonetheless, in common with other organisations, the charity faces rising costs – arising partly from higher inflation. The charity is reliant upon grant income.

Future plans are to continue with similar activities as this year to further promote the charities objectives.

The charity is currently undertaking a review of its governance and operations arrangements to more efficiently deliver its charitable purposes.

Structure, governance and management

The charity is a Charitable Incorporated Organisation (CIO)

The Trustees who served during the year and up to the date of the signature of the financial statements were:

Ms Susan Husband
Mrs Rose Humphries

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income resources and application of resources, including the income and expenditure, of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the CIO Constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant independent exam information of which the charity's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant independent exam information and to establish that the independent examiner is aware of that information.

I report to the trustees on my examination of the accounts of Law Enforcement Action Partnership UK/Europe Charitable Incorporated Organisation for the year ended 31 March 2024, which are set out on pages 5 to 14.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

The charity's gross income exceeded £25,000 and I am qualified to undertake the independent examination by being a qualified member of ICAEW, membership number 2639877.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- (1) the accounting records were not kept in accordance with section 130 of the Act; or
- (2) the accounts did not accord with the accounting records; or
- (3) the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1 GENERAL INFORMATION

Law Enforcement Action Partnership UK/Europe Charitable Incorporated Organisation is a registered charity in England and Wales. Its registered office and principal place of business is:

23 William Jessop Court
Piccadilly Village
Milbank St.
Ancoats
Manchester
M1 2NE

The financial statements are presented in Sterling, which is the functional currency of the charity.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of the financial statements

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. Law Enforcement Action Partnership Inc. has committed to continue to support this charity in order that it can carry on as a going concern.

Grant income

Grants and donations are only included in the Statement of Financial Activities when the charity has unconditional entitlement to the resources and are treated as restricted or unrestricted income in line with the donor's instructions.

The charity received total grant income of £26,102 (2023 - £79,762). All of this is to support the charity's activities and objectives.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis under the following headings.

Charitable activity costs are expenses directly incurred in achieving the objectives of the charity.

Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

LAW ENFORCEMENT ACTION PARTNERSHIP UK/EUROPE CHARITABLE INCORPORATED ORGANISATION**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2 STATEMENT OF ACCOUNTING POLICIES (continued...)**Financial instruments**

The charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets are measured at cost and are assessed at the end of each reporting period for objective evidence of impairment. Where objective evidence of impairment is found, an impairment loss is recognised in the statement of financial activities.

The impairment loss for financial assets measured at cost is measured as the difference between an asset's carrying amount and the best estimate, which is an approximation, of the amount that the charity would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is an enforceable right to set off the recognised amount and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Creditors

Short term trade creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and subsequently at amortised cost.

Funds

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or which have been raised by the charity for particular purposes.

Designated funds are funds set aside by the trustees out of unrestricted funds for specific future purposes or projects.
