6. Outreach to the homeless, orphans and widows in the developing countries through collaboration

How our project impacts our community?

As a church, we are greatly concerned with the negative impact of the pandemic on people in our community.

We have been working together with support groups in the community like foodbanks, CAB, to support families through the pandemic. We do have families come to us for a variety of support while some families are referred to us.

We have met diverse needs of BME families in the community though at a limited capacity - because our major source of income is donation from church members.

We offer counselling session

We provide special food not available from the foodbank

We help retrain unemployed or people who have lost their jobs due to the pandemic and looking for a job or change of job, especially from the BME.

We offer training support to enable such people get the prerequisite or specialised training they need to make them suitable for the job they are applying for e.g. mental health and social care workers.

We offer free e-DBS and provide reference to enable people get back to work.

We also work in partnership with foodbank who are aware of our services and refer people to us.

Achievement in the year

1. Sewing class is offered free and flexibility in a relaxed environment.
2. Sewing session has proved therapeutic and created opportunity for social interaction and engagement
3. In addition to skills acquisition, the sewing class has helped alleviate loneliness and mental health-related problems by creating an opportunity for social interaction, engaging people's mind through hands-on experience, learning new skills that will add value to their lives.
4. Some vulnerable families that relies on foodbanks either due to the pandemic or no recourse to public are in most cases disadvantaged because the standard food provided by the foodbank does not fully meet their needs.
5. We work with such vulnerable families with children that are allergic to dairy, egg, nuts that cannot make the most of the food they receive from the foodbank.
6. We meet special needs that the standard food provided by foodbanks are unable to meet before and during the pandemic by providing specific foods either on medical grounds or cultural reasons that meet the needs of the family.
7. We have supported more 10 families to meet needs that the foodbank are unable to meet
8. In our Girls Brigade Group, 10 young girls have been trained and empowered with the skills to play musical instruments.
9. We have had people lose weight and live a healthy lifestyle through our weekly session of body fitness exercise and workouts
10. We have partnered with 3 charities that support the homeless, orphans and widows in African countries to provide some financial and material support like clothing.

Public Benefit Statement

All our activities are accessible and open to the general public.

Report of the Trustees for the accounting period ended 30th April 2022

Future Plans

A piano class project will be starting soon. The trustees will continue to review the activities and structure of the charity to ensure that it operate to fulfill its Objects. Sunday service and other religious activities will continue to be at the core of what the Charity do.

Financial Review

The principal funding sources for the charity are from offering and tithes at its Church programmes. Incoming Resources - the total income for the period under review was £42,009 and the total resources expended amounted to £39009 resulting in a net surplus of £3000.

Reserve and Investment Policy

It is the objective of the charity to ensure unrestricted funds are kept at a level which provides sufficient funds to cover management, administration and support costs on an on-going basis. Based on the charity's size, the context of future plans, the level of our financial commitments and contractual obligations held. It's our policy to maintain unrestricted reserves of not less than equivalent of three months recurrent expenditure.

The Charity has a policy of keeping any surplus liquid fund in short-term deposits which can be readily be accessed and where the capital is protected. The objective of the investment policy is to maximise interest while limiting risk. This policy is adopted as the surplus funds are expected to be used in the near future to fund future commitment.

Risk Management

The Trustees have conducted a review of the major risks which the charity is exposed, in particular those to operations and finances of the charity. The Trustees review the risk regularly at their meetings and are satisfied that systems are in place to mitigate the Charity's exposure to major risks.

Appropriate DBS checks, supported by relevant training and regularly reviewed policies are made for all those who work with children or other vulnerable groups within the Charity. Where appropriate, systems have been established to mitigate the risk the Charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions.

Responsibilities of the Trustees

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable trust as at the balance sheet date and of its incoming resources and applications of resources, including income and expenditure, for the financial year. In preparing those financial statements the Trustees should follow best practice and :

- o Select suitable accounting policies and then apply them consistently;
- o Make judgements and estimates that are reasonable and prudent
- o Prepare the financial statements on the on going basis unless it is inappropriate to presume that the charity will continue on that basis.

Members of the Board of Trustees

Members of the Board of Trustees, and trustees for the purpose of charity law, who served during the period and up to the date of this report are set out on page 1.

In accordance with charity law, as trustees, we certify that:

So far as we are aware, there is no relevant information of which the company's accountants are unaware; and as the trustees of the charity we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the Charity's accountants are aware of that information.

Independent Examiner's Report to the Trustees of The Redeemed Christian Church of God throne of Grace

I report on the accounts of the above Charity for the Accounting period ended 30th April 2022 set out on pages 6 to 11

Respective responsibilities of trustees and independent examiner

The Trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). The charity's trustees consider that an audit is not required for this period under Part 16 of the 2006 Act and that an independent examination is needed.

It is my responsibility to:

- * examine the accounts under section 145 of the Act
- * to follow the procedures laid down in the general Direction given by the Charity commission (under section 145(5)(b) of the Charities Act, and
- * to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken

do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
