Objectives and Activities

The trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Foundation's aims and objectives in planning future activities and setting the grant making policy for the year

The purpose of the RDC Foundation is to advance young people under the age of 21 in life for the public benefit through recreational and leisure time activities so as to develop their mental, physical and moral capabilities so that they may grow to full maturity as individuals and members of society by such means as the trustees think fit, in particular but not limited to:-

1. Awarding grants for relevant equipment to charitable organisations engaged in adventurous activities for young people; and
2. Awarding to such persons grants toward costs of significant and life changing adventurous activities that they themselves have been heavily involved in planning.

The Foundation maintains a healthy reserve to meet any particularly interesting and relevant grant making opportunities and will use its judgement on how best to utilise this during each grant making review.
