RETFORD LIONS CLUB (CIO) REPORT TO CHARITY COMMISSION

The club has had another successful year and has provided significant support to the community.

Membership has remained steady and the club now has 25 members.

Fundraising events have been successful and the local community has continued to provide excellent support to that aspect of the club's work.

Amongst the fundraising activities there were several highly successful events – Charity Golf Day, annual duck races, Christmas activities and Easter baskets – all of which raised significant funds.

The club supported health services in the locality with a significant donation to the local hospice and also the children's hospice and several other health charities in addition to purchasing specialised equipment for individuals.

The club has always been involved in the promotion of youth activities and has continued with the allocation of grants to several youth projects amongst which was a significant contribution to Girl Guides towards a visit to an International event. Additionally equipment was purchased for the local lifesaving club to enable its young members to travel to the world championships in Australia.

As ever we were able to provide support to the disabled in our community. This year several grants were awarded which enabled individuals to acquire specialist equipment that they otherwise would have been unable to access. As a result their quality of life has been enhanced.

There was considerable support given to disadvantaged people in the community – providing basic living needs such as white goods and floor coverings. Regular donations were made to the local foodbanks and at Christmas gifts were purchased for approximately 120 children who might otherwise have received nothing.

The club continues to carry out environmental projects such as the planting of approximately 5000 daffodil bulbs at several sites in the locality. There is also a very successful project that recycles spectacles for developing countries.

In addition to these grants club members have provided manpower in support of a number of local events including the half-marathon, organised by the local athletic club, and charity collections in support of Marie Curie.

RETFORD LIONS CLUB (CIO) REPORT TO CHARITY COMMISSION

Membership has remained steady and the club now has 25 members.

Fundraising events have been relatively successful and the local community has continued to provide excellent support to that aspect of the club's work.

Amongst the fundraising activities there were several highly successful events – Charity Golf Day, annual duck races, Christmas activities and Easter baskets – all of which raised significant funds.

This year the club was able to provide support to in excess of 20 families, who suffered from their homes being flooded in November. At a time when local authorities were slow to react to the situation Retford Lions Club was able to provide some immediate financial support.

The club supported health services in the locality with a significant donation to the local hospice and several other health charities in addition to purchasing specialised equipment for individuals.

The club has always been involved in the promotion of youth activities and has continued with the allocation of grants to several youth projects amongst which was a significant contribution to Girl Guides towards a visit to an International event.

As ever we were able to provide support to the disabled in our community. This year several grants were awarded which enabled individuals to acquire specialist equipment that they otherwise would have been unable to access. As a result their quality of life has been enhanced.

There was considerable support given to disadvantaged people in the community – providing basic living needs such as white goods and floor coverings. Regular donations were made to the local foodbanks and at Christmas gifts were purchased for approximately 120 children who might otherwise have received nothing.

The club continues to carry out environmental projects such as the planting of approximately 5000 daffodil bulbs at several sites in the locality. There is also a very successful project that recycles spectacles for developing countries.

In addition to these grants club members have provided manpower in support of a number of local events including the half-marathon, organised by the local athletic club, and charity collections in support of Marie Curie.

Accounts

Retford Lions Club

Report to the Club November 2023

The accounts for the year to 30 June 2023 have now been audited and approved without any adverse comment by the auditor. The auditor's report and the full statement of accounts itemising every item of spending and income have been circulated to each Club member.

There were no unusual features of the Club's finances in the year. The year end balances were £20583 in the charity fund and £2934 in the administration fund.

I have examined the books, statements and vouchers of the Retford Lions Club presented to me by the Club Treasurer, and have satisfied myself that the income and expenditure accounts for the year ended 30 June 2023 and the Balance Sheet as at that date are in accordance therewith. I certify that the accounts and Balance Sheet give a true and fair view of the affairs of the Retford Lions Club during the year and of the financial position of the Club as at 30 June 2023.

I have examined the books, statements and vouchers of the Retford Lions Club presented to me by the Club Treasurer, and have satisfied myself that the income and expenditure accounts for the year ended 30 June 2021 and the Balance Sheet as at that date are in accordance therewith. I certify that the accounts and Balance Sheet give a true and fair view of the affairs of the Retford Lions Club during the year and of the financial position of the Club as at 30 June 2021.

RETFORD LIONS CLUB (CIO) REPORT TO CHARITY COMMISSION

Membership has remained steady and the club now has 27 members.

Fundraising events returned to somewhere near normal with the cancellation of covid restrictions and The local community has continued to provide excellent support to that aspect of the club's work.

Amongst the fundraising activities there were several highly successful events – Charity Golf Day, annual duck races, Christmas activities and the annual cycle ride – all of which raised significant funds.

The disaster in Ukraine led to a special fundraising collection which was generously supported by local businesses housing collection buckets.

The club supported health services in the locality with a significant donation to the local hospice and several other health charities in addition to purchasing specialised equipment for individuals.

The club has always been involved in the promotion of youth activities and has continued nthis with the allocation of grants to several youth projects throughout the year.

As ever we were able to provide support to the disabled in our community. This year several grants were awarded which enabled individuals to acquire specialist equipment that they otherwisev would have been unable to access. As a result their quality of life has been enhanced.

There was considerable support given to disadvantaged people in the community – providing basic living needs. Regular donations were made to the local foodbanks and at Christmas gifts were purchased for approximately 100 children who might otherwise have received nothing.

The club continues to carry out environmental projects such as the planting of approximately 5000 daffodil bulbs at several sites in the locality. There is also a very successful project that recycles spectacles for developing countries. The club also developed a tree planting project and invited a number of schools to join in. This resulted in the planting of approximately 150 trees.

In some ways, the most significant support was that which we were able to give to the Ukrainian community. Members helped to pack items to be transported to Ukraine, made a significant donation to Lions Clubs International aid and was also able to purchase specialist sewing equipment for a group of displaced Ukrainian women to set up a business and support themselves.

RETFORD LIONS CLUB (CIO) REPORT TO CHARITY COMMISSION

Membership has remained steady and there has been great support from the local community.

Inevitably the effect of Covid restrictions had a significant impact but the club continued to meet regularly on Zoom throughout the year.

Fundraising activities were naturally the most severely affected by the restrictions but Christmas activities and a very successful pop-up charity shop in June did help to replenish funds. The club also appreciated the generosity of a number of local businesses which made significant donations.

The club supported health services in the locality with a significant donation towards furnishing a relatives' room at the local hospice, and several grants to individuals.

Support continues to be given to youth organisations with a grant to a local junior football club to improve facilities and another to improve playground facilities in a local village.

As ever we were able to provide support to the disabled in our community with the most significant grant being for a specialist trike for use in a home for disabled young people.

There was considerable support given to disadvantaged people in the community – providing basic living needs. Regular donations were made to the local foodbanks and at Christmas gifts were purchased for approximately 100 children who might otherwise have received nothing. The club also supported several initiatives to assist the vulnerable during the Covid lockdown.

The club continues to carry out environmental projects such as the planting of approximately 5000 daffodil bulbs at several sites in the locality. There is also a very successful project that recycles spectacles for developing countries.
