Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Objects of the organisation are for the benefit of the public: to advance the Christian faith [in accordance with the Statement of Beliefs] in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit;

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We have set out in this report, the main activities undertaken by the organisation in order to carry out the charity's aims for the public benefit as outlined by ZION CHRISTIAN FELLOWSHIP objects set out in its governing document. In doing so, we have had due regards to the public benefit guidance published by the charity commission.

Sunday Service: Every Sunday, we conduct corporate community worship, which is one of the major activities of the organization. One of the key goals of conduction Sunday services for the community to gather to worship and to motivate the members to build up their spiritual, moral, and social life. Through these services, we can support the people in need via prayer, counselling and emotional upliftment which enabled them to work towards resolving their problems and predicaments.

Mission Work: Along with the mission work, we have also initiated and supported community building activities in these locations. Concomitantly we are also supporting one missionary in the United Kingdom.

Sunday School Primary focused on children. A well-established syllabus is followed to impart Christian values and to root them in the Christian faith and address their concerns in a very comfortable and safe environment.

Youth Ministry This ministry targeted at the youths and young adults in the community.

Community Support The charity has extended its philanthropic help various members of the community in times of their dire needs as per the guidance of the trustee board.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
