To relieve sickness, To relieve financial hardship, distress and suffering among people, victims of natural disasters and other people in need

We are raising funds to achieve the objectives of the Charity. We have partnered with an existing Charity after very careful consideration that is serving the community which aligns with our objectives. We have also arranged our informal meetings within Friends group to introduce our Charity and for the voluntary contributions.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Following the release of the first instalment of funding to the partner charity, the Treasurer conducted a follow-up visit to the charity's premises to review the implementation of the agreed activities. During this visit, the Treasurer examined the charity's financial records and supporting documentation to verify that the funds had been utilised strictly in accordance with the agreed funding plan and designated purposes.

The review included checks of the relevant accounts, expenditure records, and supporting evidence relating to the funded activities. These checks provided assurance that the monies had been applied appropriately and in line with the objectives agreed between both organisations.

Having completed this review and being fully satisfied with the transparency of the records and the proper use of the funds, the Board confirmed its intention to proceed with the release of further funding in accordance with the partnership agreement. We will continue to maintain regular engagement with the partner charity, including ongoing monitoring and evaluation, to ensure accountability, proper stewardship of funds, and continued alignment with our charitable objectives.

Section E Financial review

The charity maintains a reserves policy to ensure its long-term financial stability. The Trustees have agreed to hold a minimum level of funds i.e. £2,000 and to not to go in Overdraft.
