## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Most of the income this year has been from a fairly regular monthly income from the café at the club, bringing in around £500 a month. This along with funds generated from the sale of club merchandise etc made up the majority of the charity's income. Donations were down year on year but this was to be expected as we returned to full operating capacity after the need to socially distance was removed, and fee income levels returned to pre-pandemic levels. As such the charity was able to concentrate on raising funds for new equipment etc rather than covering the basic costs of the club. One grant of £3500 was made early in the accounting period to help the club with rental payments</p>

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of this accounting period, we have <b>£3023.31</b> in the bank available to draw.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<b>These are held in reserve for further funding requirements requested by Starlight Trampoline &amp; Gymnastics Club as there are plans to upgrade the DMT, one of the trampolines and a new tumble track will be required within the next 12-18 months</b>
Amount of reserves held	Para 1.22	<b>£3023.31</b>
