History

Following Thomas Dutton's death in 1651, he gave a house in the East end of Northleach as a site for six almshouses, and by way of funds and a loan from the executors of the estate of Mary Harritts Allen, a new almshouse building was erected in Mill End in 1818.

In 1831 as a result of an order by Chancery, a new body of Town Trustees was inaugurated to administer the two almshouses which were passed to this charity in 1834.

A Scheme in 1932 empowered the management of the Duttons Almshouse to the Town Charities, who were allowed to devote surplus income to the maintenance of that almshouse and towards the one that they were already administering as trustees of the Allen's charity.

A further Scheme of 1956 confirmed their powers over the almshouse charities and allowed them to use funds for other general purpose for the benefit of the town of Northleach

In July 2019, the above charity was founded as an Charitable Incorporated Organisation (CIO), into which the Almshouses were transferred and registered.

Objects and activities and Public Benefit

The main aim of the charity is to provide low cost housing within the Parish of Northleach for the benefit of members of the local town and district community or their close relatives.

As appropriate, within the Charities governing constitution, to make grants to other charities and not-for-profit organisations operating for the benefit of the local community of Northleach

Achievements and Performance

Maintenance and repairs continue as appropriate, and where necessary upgrades are made in order to maintain regulatory requirements.

The surplus of Income over expenditure for the year was (£10,150) against £6,404 for last year.

Structure, management and governance

The Charity was registered on 5th July 2019. The organisation is governed by a board of Trustees

In order for reporting consistency, the new Charities operations will commence from 1st January 2020 and all assets and liabilities will be transferred from the current charity on this date.

Recruitment, eligibility and appointment of Trustees

The trustees are recruited amongst members of the local community whom the Trustees believe have the necessary experience to enhance the aims of this charity

The current trustees have agreed to continue their charitable support and have been registered in new CIO

Training of Trustees

All trustees are involved in the variety of work for trust, who seek support from co-trustees and where appropriate, from external consultants and experienced members of the local and wider community

Remuneration and Expenses of Trustees

All trustees provide their services totally voluntarily and no remuneration is paid to any trustees.

Three trustees received the sum of £300 each as a contribution by the charity towards their administration costs.

Risk management

Asset Security

This Charity covers the fire and loss risks to its properties by way of insurances and for Public and Other liabilities.

Operational regulatory compliance

The Trustees strive to meet changes to regulatory financial and charity requirements as appropriate to the size and risks of this charity.

Safeguarding

Trustees are aware of their responsibilities to report, to the appropriate authorities, any circumstances which make them aware of any intimidation or abuse towards residents, but within the parameters of their privacy.

Child protection

The Charity is not involved in the custody of children and the associated responsibilities.

Health and Safety

The Charity operates a policy of due care to its residence in terms of the accommodation provided but does not provide personal or social care.

Serious Incidents

The Charity was not aware and has no serious incidents to report.

Internal checks

With in the limited number of local builders and traders, competitive quotes are sought for major repair work. Payments are supported by internal instructions, and by two supporting signatures on confirmation of internet payment instructions and cheques

Management accounts, together with supporting bank statements, are produced to Trustees meetings held on a quarterly basis.

3 Reserve Policy

Our Reserve policy is currently under review, to assess the sufficiency of the provisions to date as given below.
The present reserves amount to £10,600 towards the potential cost of Cyclical Repairs
and £64,500 for possible major Long Term repairs

which have been based on historic calculations at 18% and 25% respectively of residents potential contributions,
and measured against relative costs over past fifteen years.

The Long Term need of a possible roof replacement of our Grade 2 listed property, has been a major consideration
for the retention of almost all surpluses from the eight almshouses over recent history

In reviewing our possible future repair costs, these rates may be adjusted to try to cover anticipated future
costs, but subject to a short term adjustments should trustees deem this to be necessary.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2022**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
