NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2024

1. ACCOUNTING POLICIES

The principal accounting policies in the preparation of the financial statements are as follows:

Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity.

Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention on a receipt and payments basis.

Trelawnyd Memorial Hall and Community Association CIO meets the definition of a public benefit entity. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The principal accounting policies adopted are set out below.

Income recognition

All income is recognised when received.

Expenditure recognition

All expenditure is recognised when paid.
