Redeemed Christian Church of God (RCCG) Kings Court Chapel

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2020.

Objectives and activities

Objects and aims

The advancement of the Christian faith worldwide in accordance with the doctrines set out in the statement of faith contained in the schedule 2.2.2 the relief of poverty 2.3 the trustees must use the income and may use the capital of the trust in promoting the objects.

Public benefit

The charity's activities are aimed at meeting the physical and spiritual needs of the local community and promoting the faith. Due to the COVID-19 pandemic and in line with the lockdown restrictions imposed by the UK Government, a number of activities were suspended in March 2020.

Hearts & Hands – The Charity provided support to underprivileged and homeless people in Milton Keynes until March 2020 when the project outreach was suspended. The Hearts and Hands project is a Sunday evening meal provision service that also provides support through listening and counselling (if required). This community initiative was run weekly in partnership with a local ecumenical church in Milton Keynes. An average of 40 - 50 regular service users benefited from food, snacks, hot soup and drinks provided at no cost to them. Service users also had the opportunity to talk to our volunteers who are willing listeners. The success of the project is demonstrated by the fact that some of the people that previously used the service became volunteers as well.

Compassion UK in Rwanda – Some members of the Charity continued with their monthly financial support to sponsor a child in one of the projects in Rwanda run by Compassion (a Christian charity that is committed to getting children out of poverty). Our financial support provides them with basic nutrition and educational materials.

Women Empowerment Conference: The Charity held a conference to empower women and encourage them to take more active roles in society and the community at large. The event which was held virtually was livestreamed on YouTube over two days and attracted women worldwide that joined the livestream.

Other local projects - Our outreach project in nearby Buckingham University was held online. The aim of our university outreaches is to provide our target group with pastoral care while also helping the international students among them settle into life in the UK.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

Under the 'Agreement For Common Purposes' (see Related Party Relationships below), Kings Court Chapel makes a regular proportional contribution to the World Evangelism Mission via RCCG (UK). In addition, the church will from time to time, support missionary organisations such as Festival Of Life, Good Women Fellowship, etc.

The church also provides support to members of the congregation who are in need. Some members that experienced financial hardship due to the pandemic, benefited from grants to support them during the course of the year.

Trustees' Report

Use of volunteers

The charity's volunteers provide an invaluable contribution in various areas of service provision, development and implementation of the church's vision. With approximately 100 volunteers assisting with the effective operations of the charity, the monetary equivalent of their contribution is immense and well-appreciated by the trustees. We provide a volunteers' training programme that caters for their welfare, spiritual and socio-economic development.

Financial review

During the year the charity generated a surplus of £666,134 although £643,484 of this represents the transfer of net assets from the old charitable trust. At the balance sheet date total funds stand at £666,134. The whole of this amount represents unrestricted funds, although £585,790 has been specifically designated for the purchase of a freehold property to be used as the charity's main premises (where core activities will be undertaken).

The majority of these funds are held in highly liquid current and deposit accounts. Total funds include £29,801 of tangible fixed assets which are used to facilitate the charity's main activities.

Policy on reserves

The Trustees are aware of the requirement to have a reserve policy in place and are currently reviewing the best way of documenting a formal policy that meets the peculiar circumstances of the charity.

Principal funding sources

Currently, the principal funding sources of the charity are from donations made by its volunteers and members.

Plans for future periods

Aims and key objectives for future periods

Kings Court Chapel, a company limited by guarantee took over the assets and liabilities of the Charity Trust on 01 January 2020.

The incorporated charity will continue to focus on missions and community outreach. We will continue to seek strategic and collaborative relationships with other local community organisations as a means of achieving the objectives of the church.

Employment and education remain important means of relieving poverty and to that end, we will organise conferences and seminars to equip members of the local community with skills relevant for securing employment.

The charity is actively searching for a permanent establishment for her operations which will involve the acquisition of a site (freehold) to further its core activities.

Structure, governance and management

Nature of governing document

The incorporated charity is controlled by its governing documents, the articles of association and memorandum, which were created on 22 May 2019.

Recruitment and appointment of trustees

Trustees are elected and co-opted under the terms of the governing documents.

Redeemed Christian Church of God (RCCG) Kings Court Chapel

Trustees' Report

Induction and training of trustees

Any new trustee will be given an understanding of the charity's objectives and the requirements of the Charity Commission. They are also encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. Charity Commission bulletins/updates are also forwarded to Trustees as and when issued.

Arrangements for setting key management personnel remuneration

The Trustees determine the pay of key management personnel by reviewing the performance of the previous financial year. The growth in income and attendance are some of the criteria considered in setting the salary level.

Organisational structure

The church is organised such that the day to day running of the church has been delegated to the Parish Pastor and the Charity Manager. The Trustees are consulted on all material issues and determine the strategic direction of the charity. Trustees meet formally twice a year and as and when required to review the operations of the charity.

Relationships with related parties

Redeemed Christian Church of God (RCCG)

Kings Court Chapel is a member of the Redeemed Christian Church Of God (RCCG) which has parishes all over the world. The relationship is governed by an 'Agreement For Common Purposes' between the parishes and RCCG.

RCCG Kings Court Chapel - Charity no. 1111874

The church has undertaken a project to acquire and develop a plot of land for the purpose of building a permanent premises. In order to mitigate some of the financial and legal risks associated with the project, the trustees decided that the church should not continue to operate as a trust and should instead be set up as an incorporated charity.

On 22 May 2019 Redeemed Christian Church of God (RCCG) Kings Court Chapel was incorporated. The incorporated entity remained dormant until 1 January 2020, when all of the assets and liabilities of the charitable trust were transferred to the incorporated charity by way of a gift (totalling £57,884 of general unrestricted funds and £585,600 of unrestricted designated funds). From this date onwards, the main operations of the church are being conducted through the incorporated charity. The aims and objectives of the charity remain unchanged.

The lease on the premises used by the charity for its main charitable activities is still held in the name of the charitable trust, as it was not possible to transfer the lease to the new incorporated charity. To facilitate the continued payment of the rent a single bank account has been kept open in the charitable trust's name. Funds are transferred into this account from the incorporated charity to cover the quarterly rent and service charge payments. Apart from holding the premises lease and facilitating rent payments, the charitable trust has remained dormant throughout 2020.

Trustees' Report

Financial instruments

Objectives and policies

In the opinion of the trustees, the charity's activities do not create any significant exposure to financial risks.

However, the trustees are mindful that circumstances can change and meet regularly to identify any emerging financial risks and to decide upon appropriate risk management policies.

Cash flow risk

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

Credit risk

The charity's principal financial assets are bank balances and cash.

The credit risk on liquid funds is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

Liquidity risk

Liquidity risk is mitigated by the fact that the charity currently has substantial reserves. The majority of these reserves are held as liquid funds which can be accessed immediately to meet the ongoing cash flow requirements of the charity.

The annual report was approved by the trustees of the charity on 08/09/21 and signed on its behalf by:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or

2 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Redeemed Christian Church of God (RCCG) Kings Court Chapel meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Redeemed Christian Church of God (RCCG) Kings Court Chapel

Notes to the Financial Statements for the Year Ended 31 December 2020

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Tangible fixed assets

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and equipment	At 10%, 20% and 33% on cost (dependent on the asset)
Motor vehicles	At 20% on cost

Debtors

Debtors are monies owing to the charity at the balance sheet date, including gift aid in respect of donations received during the period

Debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Redeemed Christian Church of God (RCCG) Kings Court Chapel

Notes to the Financial Statements for the Year Ended 31 December 2020

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Pensions and other post retirement obligations

The charity makes contributions into a defined contribution pension scheme for the benefit of its employees. Contributions payable to the pension scheme are recognised in the statement of financial activities in the period that the benefit was earned by the employee. Any pension benefits earned but not paid into the scheme at the balance sheet date are recognised as a liability in the balance sheet.

RCCG Kings Court Chapel - Charity no. 1111874

The church has undertaken a project to acquire and develop a plot of land for the purpose of building a permanent premises. In order to mitigate some of the financial and legal risks associated with the project, the trustees decided that the church should not continue to operate as a trust and should instead be set up as an incorporated charity.

On 22 May 2019 Redeemed Christian Church of God (RCCG) Kings Court Chapel was incorporated. The incorporated entity remained dormant until 1 January 2020, when all of the assets and liabilities of the charitable trust were transferred to the incorporated charity by way of a gift (totalling £57,884 of general unrestricted funds and £585,600 of unrestricted designated funds) . From this date onwards, the main operations of the church are being conducted through the incorporated charity. The aims and objectives of the charity remain unchanged.

The lease on the premises used by the charity for its main charitable activities is still held in the name of the charitable trust, as it was not possible to transfer the lease to the new incorporated charity. To facilitate the continued payment of the rent a single bank account has been kept open in the charitable trust's name. Funds are transferred into this account from the incorporated charity to cover the quarterly rent and service charge payments. Apart from holding the premises lease and facilitating rent payments, the charitable trust has remained dormant throughout 2020.. At the balance sheet date the amount due from RCCG Kings Court Chapel - Charity no. 1111874 was £112 (2019 - £Nil).
