	SORP reference	
--	----------------	--

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>In October 2019 the trustees visited the 9 schools, which were to become part of the pilot project, in South Africa. The purpose of the visit was to collect data on the school's requirements and make formal introduction to the teachers, children, and communities. A schools visit report was compiled and published on the charity's website. A second visit was carried out in March 2020 and the purpose of the visit was to create footage and marketing collateral to assist in our funding programme. More than 20 gigabytes of the footage was produced from the visit and consequently several marketing videos were created. All charity activities stopped in April 2020 this was due to the Covid 19 pandemic.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Due to the COVID 19 pandemic restrictions, very little progress was achieved for 2021. What the break in momentum did was to inspire the trustee to embark on a new strategy which is in response to the restricted COVID environment. The trustees decided to develop a virtual learning platform that will make it easier for the programme to be accessed by many teachers. The e-learning platform is called eFundisa, initially it will have 36 short-termly courses that will cover the entirety of the curriculum. The platform is still in development stage.
