You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Chair of the trustees meets with the Headmaster and Bursar of Halstead St. Andrew's School on a termly basis to update them on the activities of the CIO and to provide relevant feedback from the parent body.

Section C

Objectives and activities

Summary of the objectives of the charity set out in its governing document

The objectives of the CIO are:

- (1) to advance the education of pupils within Halstead St. Andrew's School ("the School"), in particular, by assisting with the provision of facilities not provided by the School for education at the School and by any other means deemed appropriate to advance education of the pupils at the School by the Trustees in exercise of their discretion.
- (2) to advance such charitable purposes (according to the law of England and Wales) as the Trustees see fit from time to time by provision of funds and non-financial support to other registered charities from time to time.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The CIO holds regular meetings throughout the school year to decide and plan events for the staff, pupils and parents of the school. In planning our activities, the trustees had regard to the guidance issued by the Charity Commission on public benefit.

Funds raised from these events are held in the CIO's bank account. From time to time the school makes applications for grants for specific items of expenditure for the advancement of the education of its pupils. The CIO considers these applications during its regular meetings. If the grant is approved, the CIO provides the funding requested. The funds raised and grants approved are communicated within the school community.

From time to time the trustees may decide to raise funds for the benefit of another registered charity. In this case, a specific activity is identified and communicated for this purpose and only the funds raised from that activity are paid to that other charity.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We, as trustees, decide as a committee how to spend the funds we raise. This is done by considering and voting on the grant applications submitted by the School. We may undertake some longer term projects depending on the needs identified to advance the education of pupils at the School. For example, funding a food technology classroom fit-out. These may require funds to be raised over a longer period.

Over the period 2023-2024, FOHSA contributed £15,005 to the School towards the refurbishment and kitting out of the new Pre-Prep library on the Woodham Rise site, which opened in Spring 2024.

Also, a trustee may nominate a registered charity to raise funds for by undertaking a specific activity. This nomination is considered and voted on by the committee.

We are grateful for the many hours parents have volunteered in helping the CIO undertake its fundraising activities. Without their valuable contribution of time, energy and expertise we would not be able to achieve so much.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Friends of Halstead St. Andrew's School (previously known as Friends of St. Andrew's School, Woking) has operated for many years and registered as a charitable incorporated organisation with the Charity Commission in July 2019.

In the first term of the 2023-2024 academic year, the Charity held its inaugural "Welcome back" event, an opportunity for everyone to get to know one another with the opening of the new merged school. We also held a Pumpkin Trail and Kids only Christmas sale for the children, whilst the parents and staff enjoyed the Quiz Night and Christmas Soiree. The term also saw the inaugural Festive Fair & Laser Light Show, which the whole school community thoroughly enjoyed.

In the Easter term we held a Disco and Easter Trail for the children. The year's activities concluded with the return of the popular Summer Fair, enjoyed by the entire school community, and the Summer Ball for the parents and staff.

Further monies were raised mainly via Easyfundraising, and sales of branded Christmas puddings and Christmas artwork.

With the exception of the Summer Ball, all income and expenses relating to all of the above-mentioned events/sources were received or incurred during the year ended 31 August 2024 and are therefore included in the FoHSA accounts for that period. For the Summer Ball, however, the invoices for the catering costs (of £5k) were not received until after 31 August 2024. As the FoHSA accounts are prepared on a receipts and payments basis, these amounts will therefore be included in the FoHSA accounts for year ended 31 August 2025. (This is the same as for the accounts for year ended 31 August 2023, for which the catering costs for the summer ball (of £4k) and the bar commission (of £0.4k) were only received after 31 August 2023, and were thus included in the y/e 31 Aug 2024 accounts).

Section D

Achievements and performance

Since 1 September 2022, the funds raised from the second-hand uniform "Swop Shop" have been incorporated into the FOHSA accounts. Swop Shop generated just over £2.6k in the year ended 31 August 2024. The funds raised from Swop Shop decreased over the year (from £6k in y/e 31/08/23) as a result of the School's decision to move to a new uniform, meaning that the demand for existing Swop Shop stock of the old uniform dropped significantly.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trustees decide as a committee how to spend the funds raised. This is done by considering and voting on the grant applications submitted by the school. When deciding on whether to approve the grant applications, the trustees consider, amongst other things, the subject of the grant expenditure, the amount, value for money and the number and age of pupils that will benefit from it.

In addition, the trustees aim to retain a level of reserves which is sufficient to organise and fund the next planned, large, fundraising event.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's main source of funds is from holding events for the benefit of the school community. FOHSA organises socials and events for the parents, children and staff of Halstead St. Andrew's School, Woking. It charges a fee for attendance and participation in these events and also sells items at a profit at these events e.g. food and drinks.

Since 1 September 2022, the funds generated through the second-hand uniform Swop Shop are also incorporated into the FOHSA accounts.

Section F**Other optional information**

As a CIO, Friends of Halstead St. Andrew's Woking confirms that it has not provided any guarantee during the period. Therefore, there are no potential liabilities under any such guarantee as at 31 August 2024.

Additionally, there is no debt outstanding at 31 August 2024 which is owed by the CIO and secured by an express charge on any of the CIO assets.

Section G**Declaration**

The trustees declare that they have approved the trustees' report above.
