Structure, governance and management

The principal objectives are the relief of poverty, advancement of education, advancement of the Christian religion and any other purpose beneficial to the community.

Under the requirements of the constitution every trustee must be appointed for a term of three years by a resolution passed by the existing trustees. All trustees are familiar with the practical work of the charity and are encouraged to be involved with the on-going work of the charity.

Public benefit

The Trustees have considered the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the period. The Trustees have, in their view, met the public benefit requirement by making grants to individuals and institutions who are able to further the charity's objectives.

Review of main achievements in the period

During the year the charity was able to provide some grants and build cash reserves.

Financial review

There was income totalling £138,809 (2024: £115,550) which enabled grants to be made and still result in a surplus for the year of £76,057 (2024: £12,997).

None of the loan creditors were repaid leaving a balance of £465,000 (2024: £465,000) and the loan debtor was increased in the year to £123,911 (2024: £94,594).

Reserves

At the year end the charity had reserves of £646,781 (2024: £570,724). A large amount of the assets held by the charity are in property with £917,483 (2024: £927,084) held at the year end. Cash reserves at the year end are £67,200 (2024: £12,659) which is considered sufficient to meet outgoings as they fall due.

The reserves policy is to increase reserves over time to pay off the loans used to acquire the properties and to build reserves for future projects.

Going Concern

Having considered the liquidity of the charity the Trustees have a reasonable expectation that the charity has adequate resources to continue for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing the financial statements.

Assessment of Risks

The Trustees have examined the major risks that the charity faces and confirm that systems have been established so that the necessary steps can be taken to lessen these risks.

Future Plans

The plan for the future is to raise donations to pay off more of the loans which were required to purchase the property to accommodate the minister of Hope Church Chesham.

Statement of Trustees' Responsibilities

Charity law requires the trustees to prepare financial statements for each financial year, which show a true and fair view of the state of affairs of the charity, and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

NOTES TO THE ACCOUNTS

1 Accounting Policies

(a) Basis of preparation and assessment of going concern

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared under the historical cost convention.

(b) Funds structure

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects.

(c) Income recognition

All incoming resources are recognised once the charity has entitlement to the resources, it is certain the resources will be received and the monetary value can be measured with reliability.

(d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Fixed Assets

Fixed Assets are measured at cost less accumulated depreciation. Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land	No depreciation
------	-----------------

Freehold buildings 50 years straight line

(g) Debtors

Debtors are recognised at the settlement amount due or income amount accrued net of any discounts due.

(h) Creditors

Creditors are recognised at their settlement amount after allowing for any discounts due.
