Secretary's report	1
Treasurer's Report	3

The last twelve months has been a challenging one for the Team, the Pandemic has meant our regular training has been disrupted, stop then start as the pandemic unfolded. After the decision to launch a water team our initial training was cancelled but fortunately reschedule for later in the year completing in May. Finally being awarded the Lottery Grant we were able to start the purchase of equipment. The Pandemic had an effect here too. There have been shortages and delays in some of the equipment delivery. There are a few sizing issues to resolve on dry suits and a few items of hardware to purchase.

We have been able to complete the medical kits and the search team bags and have started to equip the team with the Manta Helmets. The tech rescue equipment has been purchased and some additional training will be required and a few more components required as we start to practice this work. With the additional kit we have needed to "tidy up" the garage and some donated racking and plastic crates have made this better keeping the kit secure and off the floor. A thank you to those in the team involved in getting this and putting it together on site.

Surprisingly the Control Van continues to pass its MOT and its maintenance cost have not been excessive but it is an area that the team will need to look at in the next year on its replacement and our overall transport needs in general. The water team and tech rescue now put an additional burden on vehicles and storage

Training has restarted since September although this has been disrupted a little over December due to the rise of the new variants but we are now back in to a training cycle. Our new recruit training has suffered a little as a result but we will get this back on track before the end of March.

Call outs over 2021 were low partly explained by people not going out due to the pandemic. however we have established communications more

## Secretary's Report

...with South Yorkshire Police with two calls towards the end of 2021 in Rotherham and Doncaster and three calls for Humberside Since December.

Our Public engagement definitely suffered this year, the usual events that we participate in were all cancelled and with it some fund raising opportunities and recruitment. We were able to forge a new relationship with South Yorkshire Fire and Rescue as we met the public on water safety awareness days at Rother Valley, Ulley Reservoir, Dearne Valley and Thrybergh Reservoir, demonstrating rope throws and getting young people involved. Some press and TV coverage for the team on these occasions. It is sad that this activity was a result of a tragic death in the summer at Ulley Reservoir. We'll hopefully be doing this again this year and able to show off the water team at the same time and some joint training is being discussed

Fundraising from our walking expeditions has certainly filled a funding gap this year, Epic Three Peaks and a Mam Tor sunrise with match funding from Coca Cola has been a help. Thanks to Dave for organising and all those in the team and our supporters who took part.

This year our Chair will be standing down at the AGM as he moves on to pastures new with a new job in Northumberland. A thank you to Chris Garsden for his time both as Chair and as an integral part of the SAR Community and YorkSAR for many a year. Wishing you the best in your new venture.

I'd also like to mention the trustees committee as a whole and the work it continues to do to manage the team and all the team members old and new and those who have returned this year for the enthusiasm and dedication to training and their work for the community.

As 2022 starts to return to something resembling normality the team is set ready for the new challenges.

Mark

## Treasurer's Report Financial year August 2021-22

This year our bank balance has remained healthy, largely in part to donations from South Yorkshire Police, Coca Cola, James Neil Trust and private donations. These contributions have been targeted at specific projects. Our general account to cover running costs has overspent this year. Our overall disposable income has been affected by our ability to public fund raise due to the Pandemic which is an issue that needs to be addressed.

A big thank you to those organisations for their support. We have however managed to cover our costs with a small surplus going into 2022-23

Our major spending this year has been the water training and the medial kits and helmets all of which were covered by grants

Overall our yearly committed spend for insurance transport etc. has largely remained unchanged this year but the team need to find ways to find the approximate £2000 required each year. Transport is our biggest cost in terms of insurance storage and maintenance. We will need to find means to cover our general expenses into next year and recover our surplus.

### **Instructions**

- 1 Figures in blue type can be overtyped.
- 2 Before adjusting spreadsheet save a copy as a master file
- 3 Start a new spreadsheet for each financial year
- 4 Set the various funds up in the "Funds" table opposite
- 5 Set the various receipts and payments up in the "Categories"  
Make sure you use unique names for different categories
- 6 Transaction details are entered on the various bank and cash worksheets  
Firstly enter opening balances for each of the bank/cash accounts  
Then enter splitting balances across various funds as appropriate
- 7 The receipts & payment reports ("R&P" sheets) are auto-generated  
and require no intervention
- 8 To record transfers between accounts, record in both worksheets  
"Unrestricted" and category "Transfer"
- 9 To record transfers between funds enter an in and out category  
category "Transfer" and fund as appropriate
- 10 The Transfer row on the Total R&P report worksheet should be zero

### **Warnings**

- 1 Once a fund or category has been set up do not alter it  
used in entering details on the bank and cash worksheets
- 2 If on a "R&P" worksheet a warning appears "WARNING:  
that the total funds on the "R&P" sheet do not agree to  
sheet. This can happen if:
  - a) A fund or category that has previously been used
  - b) When entering a transaction no fund was selected
  - c) When entering a transaction no category was selectedCorrect error immediately

**Independent examiners report to the Trustees of  
Yorkshire Lowland Search and Rescue (Yorksar)**

**Charity number 1184506**

I report to the trustees on my examination of the accounts of Yorksar for the year ended 31<sup>st</sup> August, 2022.

**Responsibilities and basis of the report**

As the charity trustees of Yorksar you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act)

I report in respect of my examination of Yorksar accounts carried out under section 145 of the 2011 Act and in carrying out my examination I followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the Act.

**Independent examiners statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that any material respect:

1. Accounting records were not kept in respect of the Charity as required By section 130 of the Act; or
2. The accounts do not accord with those records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed

*S. J. Walls*
