Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Over the financial year Cylch Meithrin Amlwch has supported 26 children aged 2 or 3 to learn through play and be surrounded by the Welsh language whilst doing so.</p> <p>Through applications to funding opportunities the Cylch has been able to provide new resources for the children to support their development, moving to a more natural setting- offering opportunities to play and learn, rather than very set and structured activities. We have also developed our outside area with help from Menter Mon to have an all weather canopy to support us to be able to offer outdoor play in all seasons.</p> <p>Children have developed their Welsh language skills, grown in confidence and also gained skills. The focus this financial year has been to promote social skills, alongside learning. We have also welcomed a new approach in terms of how we support the children to develop, which has required new resources in line with Welsh government guidance.</p> <p>We are pleased to have been accepted in February 2023 to be part of the Flying Start scheme and anticipate that we will receive more referrals and income from this venture in the next financial year</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>At year end the Cylch was in a much healthier position this financial year thanks to a number of funding grants received.</p> <p>Unfortunately there were no fundraising events to provide any income and the trustees have pressed to the committee and the parents that without this our next financial year will be very bleak.</p> <p>The majority of parents continued to opt to pay via BACS, though we had some paying large amounts at a time which required careful management by the Cylch leader. Payments are divided on the spreadsheet for reference, we anticipate as years go on less and less parents will opt to pay cash.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	No policy in place currently.
Amount of reserves held	Para 1.22	n/a
Reasons for holding zero reserves	Para 1.22	Informally we aim to hold a reserve of £2500 which along with the termly grant from YMCC would cover 2 months wages for staff.

Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23
