REPORT OF THE TRUSTEES

The Trustees submit their Report together with the Statement of Receipts and Payments covering the year to 31 December 2022

The Foundation has been established in memory of Eleanor Carey who died tragically in a cycling accident in London in December 2011 at the age of 22.

The Foundation operates in conjunction with Eleanor Foundation LBG (Guernsey), (EFG) founded in 2012, whose principal activity is to raise funds to be used for charitable purposes in the support of projects that Eleanor was interested in, particularly those linked to sustainable development in Africa.

EFG has established Eleanor Foundation (Tanzania) LBG, a Tanzanian Limited by Guarantee Company to undertake charitable work in that country and the Foundation intends, in conjunction with EFG, to support the work undertaken by the Tanzanian LBG.

REVIEW OF THE PERIOD

The Trustees have been able to raise a continuing number of small donations during 2022, the majority of these being collected via Facebook and JustGiving. In consequence it was possible, using the good offices of our associated charity in Tanzania, to fund the entire cost of the installation of a reliable water supply at Kagongo 'B' Girls School, Biharamulo. The school had previously had access to the Government piped water service just three days a week limiting their ability to accept further students. The school is now able to accommodate a further eighty boarders, some of whom were walking a minimum of six miles each way daily.

Details of financial activities are provided on page 4

REPORT OF THE TRUSTEES

The Trustees submit their Report together with the Statement of Receipts and Payments covering the year to 31 December 2021

OBJECTIVE

The Foundation has been established in memory of Eleanor Carey who died tragically in a cycling accident in London in December 2011 at the age of 22.

The Foundation operates in conjunction with Eleanor Foundation LBG (Guernsey), (EFG) founded in 2012 whose principal activity is to raise funds to be used for charitable purposes in the support of projects that Eleanor was interested in, particularly those linked to sustainable development in Africa.

EFG has established Eleanor Foundation (Tanzania) LBG, a Tanzanian Limited by Guarantee Company to undertake charitable work in that country and the Foundation intends, in conjunction with EFG, to support the work undertaken by the Tanzanian LBG.

REVIEW OF THE PERIOD

During the Covid outbreak, the Trustees have found it difficult to achieve any momentum although they have received a number of small donations. From those monies and matched funding of £2,500 collected locally, it has been possible to complete two shallow wells in the village of Bwanga in Western Tanzania. These two wells should provide long term benefit to some 2,000 people.

The Trustees were also hampered towards the end of the year when Virgin Money, which had been a useful source of small donations, ceased operation. The Trustees have also established a relationship with Facebook and plan to establish a mechanism so that donations can also be received through the medium of JustGiving.

Details of financial activities are provided on page 4

RE-ELECTION OF TRUSTEES

In accordance with Section 9 (iv) of the Foundation's Constitution, Rachel Scott's appointment as a Trustee terminated at the Annual General Meeting of the Foundation held in June 2021. Being eligible, she was re-elected for a further term of five years at the Annual General Meeting held on 28 June 2021. Valerie Cameron's appointment terminates at the forthcoming Annual General Meeting and a resolution for her re-appointment for a further term of five years will be tabled at that meeting.

EF UK 2020

For most charities, 2020 was a year of disruption and challenge. The global pandemic and consequent restrictions on movement and social interaction disrupted our plans of promotional and fund raising activities. Within Eleanor Foundation UK, we have had to rely largely on the use of social media and direct individual contacts to raise funds and develop awareness. We are hopeful that conditions in the UK will recover during 2021 and beyond enabling us to raise our profile.

For Eleanor Foundation generally, the final outcome for the year was quite satisfactory when all is taken into account. Total funds raised were around 10% down on 2019 and a total of just under £150,000 was transferred to Eleanor Foundation Tanzania (EFT) including a first time payment of £2,500 from EF UK.

This contribution was directed towards the construction of a further two shallow wells at the village of Nyarutefye in Chato District bringing the total within this community to three wells and benefitting a further 1800 individuals. The first well was installed in 2014 and cost around £2300. The fact that we were able to provide two wells for £2,500 in 2020 is due to the significant increase in community participation that in this case included, for the first time, a financial contribution.

Generally our activities in Tanzania were impacted by the COVID-19 pandemic and for a short period our operations were scaled back. Following a request from local government, EFT participated in a programme to raise public awareness on the importance of hand hygiene in combatting the spread of C-19. We donated a number of hand washing points at bus stations, markets and other public areas. Public meetings were held at population centres and information posters were distributed.

Although there was a general lack of statistics relating to the spread of the virus, it appears that the more rural areas of Tanzania have not been severely impacted.

At this point we should record our appreciation of the dedicated work throughout the year of our project manager Godfrey Gahanga and the team in Chato and Biharamulo. We have a strong relationship with the district governments and also the individual communities as evidenced by the letters of appreciation received.

COVID-19 has clearly highlighted the need for our work given the impact of global health threats and the need for communities to have access to clean water, sanitation and hygiene.

Our commitment towards continuing this work is undiminished.

REPORT OF THE TRUSTEES

The Trustees submit their Report together with the Statement of Receipts and Payments covering the period from Establishment to 31 December 2020

ESTABLISHMENT

The Foundation was established following a meeting of the Trustees held on 5 April 2019. It was subsequently registered with the Charity Commission, the process being completed on 25 July 2019 when the Registration Number 1184600 was issued.

OBJECTIVE

The Foundation has been established in memory of Eleanor Carey who died tragically in a cycling accident in London in December 2011 at the age of 22.

The Foundation operates in conjunction with Eleanor Foundation LBG (Guernsey), (EFG) founded in 2012 whose principal activity is to raise funds to be used for charitable purposes in the support of projects that Eleanor was interested in, particularly those linked to sustainable development in Africa.

EFG has established Eleanor Foundation (Tanzania) LBG, a Tanzanian Limited by Guarantee Company to undertake charitable work in that country and the Foundation intends, in conjunction with EFG, to support the work undertaken by the Tanzanian LBG.

REVIEW OF THE PERIOD

The Trustees have received one significant donation of £2,500 and a number of smaller donations. Initially, their activities were, in part, inhibited by regulatory delays in the opening of a bank account and being accepted for registration by HM Revenue and Customs. Subsequently the Covid pandemic has limited operations. It was however possible to provide matched funding of £2,500 which enabled two shallow wells to be completed in the village of Nyarutefye in Western Tanzania. These two wells should provide long term benefit to some 1,700 people.

Details of financial activities are provided on page 4

RE-ELECTION OF TRUSTEES

In accordance with Section 9 (iv) of the Foundation's Constitution, S Challis's appointment as a Trustee terminated on the first anniversary of the establishment of the Foundation. Being eligible he was re-elected at the Annual General Meeting held on 22 April 2020. Rachel Scott's (née Butler) appointment terminates in April 2021 and a resolution for her re-appointment for a further term of five years will be tabled at the Annual General Meeting.

STATEMENT OF THE TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for the administration of the Foundation, particularly ensuring that all donations made to and funds raised by the Foundation are applied for the purposes for which the Foundation was established
