Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Future of Taru has continued to grow throughout the financial year, despite the continuing challenges brought along by Covid-19. With almost 300 children in education, and around 165 sponsored by our supporters predominantly in the UK, we are providing a valuable life asset of education, and are providing a daily meal, to so many needy children, thus supporting their families growth and necessities at the same time. Further construction work on the High School has enabled all classes to be walled and roofed and have toilet facilities, and the pupil numbers are slowly growing. It's with huge thanks to our supporters that we have been able to provide and progress for the children and families of Taru through 2020/2021.
