Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Future of Taru has maintained it's position as the largest private school in the area. Our number of pupils sponsored has remained at around 275. We continue to deliver the valuable life asset of education to all age groups up to and including Grade 9 in Junior Secondary. We continue to provide a breakfast and lunch to every pupil, thanks to some funding support received. All of this is despite the financial challenges of grants being harder to come by, and new sponsors becoming harder to find. We strive to ensure we have the best teachers within our financial constraints, who show continuous improvements, and we strive to provide the best facilities we possibly can, and have made necessary upgrades to the school during this financial year. Further appreciated donations from our supporters, be it from grants, fundraising, or one-off donations, have enabled us to continue to develop the school. It is with huge thanks to each and every supporter that we have been able to make this progress in 2024/25.
