- policies and procedures adopted for the induction and training of trustees;
- the charity’s organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees’ consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, preserve and protect the physical and mental health of families in England who have lost a baby by:

- a) providing donations directly to the bereaved families
- b) providing donations to other charitable organisations with similar purposes
- c) providing support and information to the bereaved families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December 2024, The TeddyRose Foundation was working with over 15 NHS hospital bereavement units in England. Since incorporation, we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Clothing etc.

Our donations help the bereavement units with the support that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss.

We provide families with face-to-face emotional support via our support groups, which are held monthly.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which allows families to speak to our volunteers who have first-hand experience of baby loss.

In Dec-24, we held our Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Empty box for additional details of objectives and activities.

Summary of the main achievements of the charity during the year**NHS Hospital Bereavement Units**

We know from the feedback from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families are valuable and helping to make a difference.

Throughout CY24, we donated the following: *Cuddle Blankets, Care Packages, HITH Keyrings, and Small Baby Clothes etc.*

Donations

We received a significant amount of donations during CY24.

We are fortunate that many families we have supported either donate to the charity or go on to arrange fundraisers to support our charity, all in memory of their precious baby.

We received 2 significant donations in Dec-24. One from a local choir, as we were chosen as one of their 'Charities of the year', and the other from a local company as part of their 12 days of Christmas campaign, where they support charities.

Fundraisers

The charity was able to generate additional income via fundraisers from items donated to the charity.

Personal Support

We host a monthly face-to-face support group for anyone impacted by Baby Loss and continue to provide support via our website and social media platforms.

The support we provide is more emotional and gives people an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service

On the 15th Oct-24, we hosted a 'Wave of Light Baby Loss Remembrance Service' at our local Parish Church in Solihull, which was very well attended and appreciated.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Christmas Crafts Day For Siblings

In Dec-24 we held our 4th Christmas Crafts Day, where bereaved siblings could come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree. We do feel that this event is greatly appreciated by those who attend.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have no guaranteed income; we rely on donations from the public, local businesses and from our fundraising events.

Our aim is to ensure that we have enough reserves in the charity to ensure that we can continue supporting the NHS bereavement units for the following calendar year, which protects the charities ability to serve the public.

Details of any funds materially in deficit

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2024.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

We know from the feedback from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families are valuable and helping to make a difference.

Throughout CY23 we donated the following: *Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Baby Loss Journals, Small Baby Clothes etc.*

Donations

We received a substantial amount of donations during CY23.

We are fortunate that many families we have supported either donate to the charity or go on to arrange fundraisers to support our charity, all in memory of their precious baby.

The biggest fundraiser in memory of a special baby was the Manchester Half Marathon (Oct-23).

Fundraisers

The charity was able to generate additional income via fundraisers from items donated to the charity.

Personal Support

We host a monthly face-to-face support group for anyone impacted by Baby Loss and continue to provide support via our website and social media platforms.

The support we provide is more emotional support and provides people with an opportunity to speak to someone who has first-hand experience of baby loss.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, preserve and protect the physical and mental health of families in England who have lost a baby by:

- a) providing donations directly to the bereaved families
- b) providing donations to other charitable organisations with similar purposes
- c) providing support and information to the bereaved families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December 2022, The TeddyRose Foundation was working with 17 NHS hospital bereavement units in England. Since incorporation we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Clothing etc

Our donations help the bereavement units with the "support" that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss. We would typically donate one of our specially adapted Cuddle Blankets and a HITH Keyring.

In Jan-22 we resumed our monthly support groups which allow families who had been through similar experiences to come together and talk about their baby and their baby loss journey.

In Dec-22 we held our 2nd Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which gives families an opportunity to speak to our volunteers who have first-hand experience of baby loss.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year**NHS Hospital Bereavement Units**

In CY22 we were able to increase the number of NHS hospital bereavement units we are supporting from 13 to 17.

We know from the feedback we get from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families is valuable and helping to make a difference.

We donated: *Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Baby Loss Journals etc*

Donations

We received a substantial amount of donations during CY22. We are fortunate that many families who have been supported by us go on to arrange fundraisers to support our charity and in memory of their precious baby.

The biggest single income coming from a local golf club, who kindly chose us to be their 'Charity of The Year'.

Personal Support

We host a monthly face to face support group for anyone impacted by Baby Loss and continue to provide support via our website and social media platforms.

The support we provide is more emotional support and provides people with an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service

On the 15th Oct-22 we hosted a 'Wave of Light Baby Loss Remembrance Service' at our local Parish Church, which was very well attended and appreciated.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Christmas Crafts Day For Siblings

In Dec-22 we held our 2nd Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

<p>For the public benefit, preserve and protect the physical and mental health of families in England who have lost a baby by:</p> <ul style="list-style-type: none"> a) providing donations directly to the bereaved families b) providing donations to other charitable organisations with similar purposes c) providing support and information to the bereaved families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December 2021, The TeddyRose Foundation was working with 13 NHS hospital bereavement units in England. Since incorporation we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Clothing etc

Our donations help the bereavement units with the “support” that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss. We would typically donate one of our specially adapted Cuddle Blankets and a HITH Keyring.

In Dec-21 we held our 1st Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

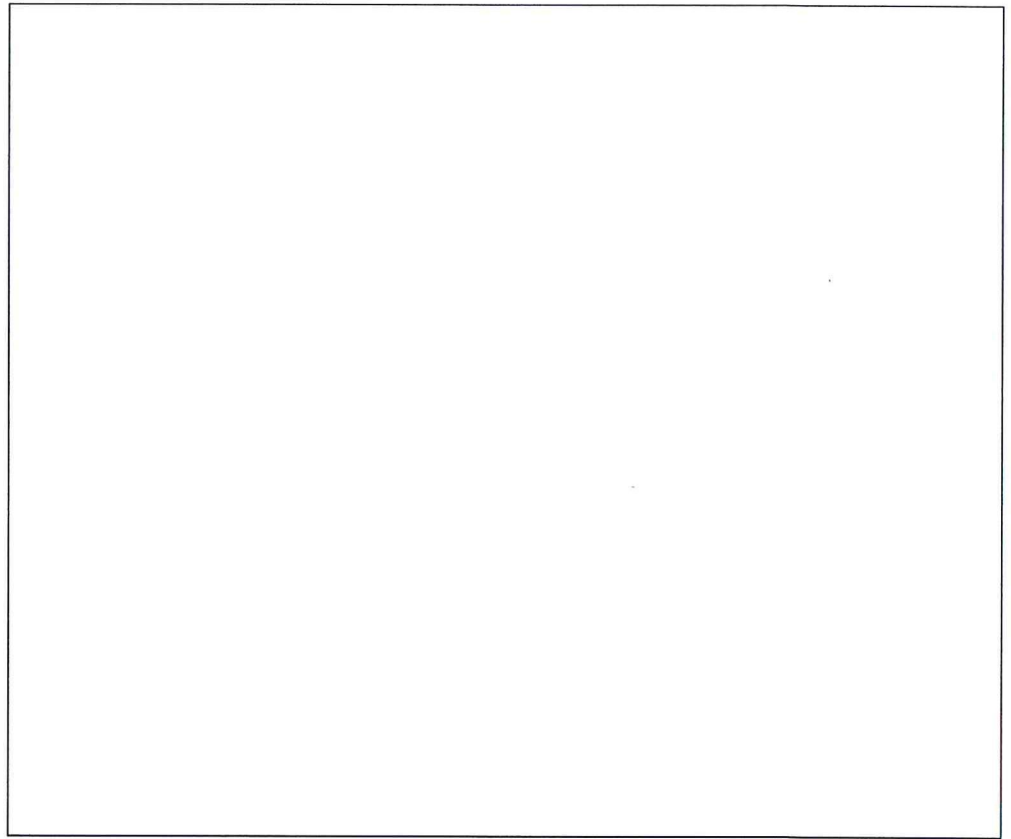

Unfortunately, due to COVID restrictions, we were unable to resume our monthly support groups which allow families who had been through similar experiences to come together and talk about their baby and their baby loss journey.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which gives families an opportunity to speak to our volunteers who have first-hand experience of baby loss.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year**NHS Hospital Bereavement Units**

In CY21 we were able to increase the number of NHS hospital bereavement units we are supporting from 10 to 13, we have plans to increase this further during 2022.

We know from the feedback we get from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families is valuable and helping to make a difference.

We donated: *Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Clothing etc*

Charity Hosted Fundraising Events

Unfortunately, due to COVID, we were unable to host any fundraising events in CY21, which has limited our ability to raise funds and awareness. However, we are planning on hosting some in CY22.

Donations

We received a substantial amount of donations during CY21. The biggest single income, coming from the 2021 London Marathon.

Personal Support

Due to COVID, we were unable to host our monthly face to face support groups but continued to provide support via our website and social media platforms.

The support we provide is more emotional support and provides people with an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service

In 2021 we were able to hold our 'Wave of Light Service' at our local Parish Church, which was very well attended and appreciated.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Christmas Crafts Day For Siblings

In Dec-21 we held our 1st Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

The feedback from those who attended was extremely positive, we have already booked to hold this again in Dec-22.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have no guaranteed income; we rely on donations from the public, local businesses and from our fundraising events.

Our aim is to ensure that we have enough reserves in the charity to ensure that we can continue supporting the NHS bereavement units for the following calendar year, which protects the charities ability to serve the public.

Details of any funds materially in deficit

Independent Examiner's Report

Report to the trustees/ members of

The TeddyRose Foundation

On accounts for the year ended

31st December 2021

Charity no (if any)

1184653

Set out on pages

1

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2020.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, preserve and protect the physical and mental health of families in England who have lost a baby by:

- a) providing donations directly to the bereaved families
- b) providing donations to other charitable organisations with similar purposes
- c) providing support and information to the bereaved families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December, The TeddyRose Foundation was working with 10 NHS hospital bereavement units in England. Since incorporation we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings and Cuddle Cots.

Our donations help the bereavement units with the “support” that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss. We would typically donate one of our specially adapted Cuddle Blankets.

Before COVID-19, we were holding our monthly support groups which allowed families who had been through similar experiences to come together and talk about their baby and their baby loss journey.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which gives families an opportunity to speak to our volunteers who have first-hand experience of baby loss.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year**NHS Hospital Bereavement Units**

Since the 29th July 2019 when the charity was registered as an official charity and largely due to the generous donations we have received from local businesses and members of the public, we have been able to donate and support more hospital bereavement units than planned.

After initially working with 2 hospitals, we are now supporting 10 hospitals in England and have plans to increase this further during 2021.

We know from the feedback we get from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families is valuable and helping to make a difference.

We donated: *Cuddle Blankets, Care Packages, HITH Keyrings & Cuddle Cots.*

Fundraising Events

In 2019 we held various fundraising events (Dinner & Dance, Golf day etc) which were a success and helped us generate funds for the charity and spread awareness about the work we do and baby loss in general.

Unfortunately, due to COVID-19, we were unable to hold our main fundraising events in 2020 which has had an impact on our ability to raise funds.

Personal Support

Pre COVID-19 we held our monthly support groups and provided support via our website and social media platforms. The support we provide is more emotional support and provides people with an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service

In 2019 we held our very first 'Wave of Light Service' at our local Parish Church and was very well attended.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Unfortunately, due to COVID-19, we were unable to hold this service at Church, but did host a virtual event on our social media platforms.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have no guaranteed income; we purely rely on donations from the public and local businesses.

Our aim is always to ensure that we leave enough funding in the charity to enable us to continue supporting/donating to the 10 hospitals for the following year, which helps protect the charities ability to service the public.

Details of any funds materially in deficit

N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
