Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit, preserve and protect the physical and mental health of families in England who have lost a baby by:

- a) providing donations directly to the bereaved families
- b) providing donations to other charitable organisations with similar purposes
- c) providing support and information to the bereaved families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December 2022, The TeddyRose Foundation was working with 17 NHS hospital bereavement units in England. Since incorporation we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Clothing etc

Our donations help the bereavement units with the "support" that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss. We would typically donate one of our specially adapted Cuddle Blankets and a HITH Keyring.

In Jan-22 we resumed our monthly support groups which allow families who had been through similar experiences to come together and talk about their baby and their baby loss journey.

In Dec-22 we held our 2nd Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which gives families an opportunity to speak to our volunteers who have first-hand experience of baby loss.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year**NHS Hospital Bereavement Units**

In CY22 we were able to increase the number of NHS hospital bereavement units we are supporting from 13 to 17.

We know from the feedback we get from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families is valuable and helping to make a difference.

We donated: *Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Baby Loss Journals etc*

Donations

We received a substantial amount of donations during CY22. We are fortunate that many families who have been supported by us go on to arrange fundraisers to support our charity and in memory of their precious baby.

The biggest single income coming from a local golf club, who kindly chose us to be their 'Charity of The Year'.

Personal Support

We host a monthly face to face support group for anyone impacted by Baby Loss and continue to provide support via our website and social media platforms.

The support we provide is more emotional support and provides people with an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service

On the 15th Oct-22 we hosted a 'Wave of Light Baby Loss Remembrance Service' at our local Parish Church, which was very well attended and appreciated.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Christmas Crafts Day For Siblings

In Dec-22 we held our 2nd Christmas Crafts Day, where bereaved siblings were able to come and make special decorations in memory of their brother or sister that they could take home for their Christmas Tree.

Financial review

Brief statement of the charity's policy on reserves

We have no guaranteed income; we rely on donations from the public, local businesses and from our fundraising events.

Our aim is to ensure that we have enough reserves in the charity to ensure that we can continue supporting the NHS bereavement units for the following calendar year, which protects the charities ability to serve the public.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2022.

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
