TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

Grant Making policy

The Trust has established its grant making policy to achieve the Trust's objectives to support other registered charities. The Trust welcomes grant applications which are discussed in the quarterly meetings attended by all trustees.

Public Benefit

The principal activities of the charity during the year continued to be to achieve the objectives as stated above. The trustees are aware of the Charity Commission guidance on public benefit reporting as set out in Section 17 Charities Act 2011. The trustees believe that the charity achieves a public benefit.

Achievements and performance

During the year the charity has received funds which has enabled the charity to make donations in excess of £50k (2024: £100k) to worthy causes.

Financial review

During the year the charity received total income of £57,999 (2024: £107,012) and paid support costs of £4,282 (2024: £3,293) leaving a surplus of funds before grants of £53,717 (2024: £103,719). The trustees are satisfied with the results and activities during the year.

Reserves Policy

The charity's reserves policy is to create sufficient reserves to enable the charity to continue its activities and services at a meaningful level, should there be a drop in income. As all income is derived from voluntary donations, the trustees review this position on a regular basis.
